

NATIONAL WORKSHOP ON CRYPTOLOGY 2009 UNDER INDIA
MATHEMATICS YEAR

PARTICIPANTS ACCOMMODATION

- The arrangements for the accommodation of the participants desirous of the accommodation during the workshop from 6th to 9th Aug 2009 have been made at two Guest houses/Hotels outside SVNIT campus (but about 1.5 kms from the campus on either side). The exact place where each participant is located is sent through e-mail to the individual participant. Please check your e-mails for the details.
- We are trying to ensure that if you are arriving at ODD hours (between 11.00 pm to 5.00 am) somebody is there at the railway station to escort you to your place of residence. Please look for the playcard of “SVNIT” at the exit of the railway station. Even otherwise, SVNIT and the place of residences are only 8-12 kms away from the Surat railway station. One would always be able to find numerous autos plying from Station to the allotted place of accommodation. The autos normally charge anything between Rs 30 – Rs 50 depending on the time of arrival to reach SVNIT main gate.
- The breakfast, lunch and dinner for all the participants during the workshop (including the dinner prefixing the day of the workshop) have been arranged at the Ground Floor of the Central Computer Centre at SVNIT. We are making arrangements of the vehicles to escort you to the place and drop you back to the place of residences for the purpose. The exact information about all these will be available in the form of printed leaflets in your rooms.
- The workshop schedule, the slot of each specific presentation will be distributed alongwith the course kits during the registration.
- The receipts for whichever payments that you have made will be provided at the time of the workshop.
- The participation certificates and the paper presentation certificates for the workshop will be distributed only in the last session on Sunday the 9th, that is expected to get over before lunch.
