

PROGRAMME OBJECTIVE

The proposed short-term course would be highly beneficial and productive for the engineers/technical staff from various industries, faculty members, and research scholars, as it is designed to develop the industrial skills for occupational safety and health management with special emphasis on Covid-19.

ADVANTAGE

The industrial and health safety at the workplace is of the highest importance in response to the COVID19 outbreaks. Occupational safety has an important role in protecting workers and ensuring continuous industrial production during this pandemic situation. Thus, this FDP will be focusing on "Occupational Safety and Health Management – Special Emphasis on Covid-19". The FDP would be highly productive and beneficial to the people from industry and academia.

ELIGIBILITY

The programme is open to the engineers/technical staff from various industries, faculty members, and research scholars from other allied disciplines.

SPEAKERS

Resource persons are from IITs, NITs, and reputed international institutes.

PROFORMA FOR REGISTRATION FORM

Name: (In Block Letters): _____

Gender: _____

Designation: _____

Institutional Address: _____

Highest Qualification: _____

Area of Specialization: _____

Research Interests: _____

Address for Correspondence: _____

Mobile No. _____

Email: _____

NEFT Transaction Id: _____

Transaction Date: _____

Date: _____ Signature of Applicant

The registration for the workshop can also be carried out using the google link given below:

ABOUT THE INSTITUTE AND SURAT

The institute, one of the pioneering engineering institutions of the country, was established in 1961 as Sardar Vallabhbhai Regional College of Engineering & Technology, and was given a status of National Institute of Technology, in 2002. At present, there are six undergraduate courses, seventeen postgraduate courses, and Ph.D. programmes in all disciplines of engineering and applied sciences. It has an excellent placement record with a number of top-ranking companies visiting the campus. The whole campus has the connectivity of the internet with fiber-optic networks including faculty quarters and student hostels.

The institute is located at Surat, about 260 kms north of Mumbai and is very well connected by rail and road links to Mumbai as well as Ahmedabad (250 kms)/Vadodara (150 kms). The institute is approximately 10 kms away from Surat Railway Station and 10 kms from the Surat Airport (STV). Surat is the industrial city with historical importance and is well known for Textile, Jari, and Diamond industries. The leading industries like RIL, ONGC, Kribhco, L&T, ESSAR, NTPC, and GAIL are established in Surat- Hazira area.

ABOUT THE DEPARTMENT

Chemical Engineering Department of S. V. National Institute of Technology, Surat was started in 1995. The Department has built up a comprehensive research infrastructure with top-notch facilities for

carrying cutting-edge teaching and research. The department strives to provide facilities and environments that are conducive for creative and dynamic work. The Department is fully equipped with modern equipment's and computer facilities which are being entertained by trained and experienced faculties.

IMPORTANT DATES

Last date for Registration: 17th September, 2020.

List of Eligible Candidates: 18th September, 2020.
(separate email will be sent).

REGISTRATION FEES

Participants	Fees (in INR)
Students & Research Scholars	Rs. 200/-
Faculty Members	Rs. 400/-
Participants from Industry	Rs. 1000/-

The maximum number of participants is limited to 50 and the registration will be on first come first serve basis. It is **necessary** to send the **registration form and NEFT transaction slip** for the registration fees to the official email address for correspondence on or before 17th September 2020.

A/c details for NEFT Transaction

A/C No: 0277101028663
