

**CIVIL ENGINEERING DEPARTMENT**  
**S V National Institute of Technology, Surat**

No: CED/Mid-Sem Exam/

/2018-19

Date: 14/09/2018

**Schedule of Mid- Semester Examination, September 2018**

| Day and Date             | B Tech (II) 3 <sup>rd</sup> Semester          | B Tech (III) 5 <sup>th</sup> Semester | B Tech (IV) 7 <sup>th</sup> Semester |
|--------------------------|---|---------------------------------------|--------------------------------------|
|                          |   | 11.00 to 12.30                        | 14.00 to 15.30                       |
| Monday,<br>24/09/2018    | Fluid Mechanics                               | Building Materials and Construction   | Municipal Wastewater Engineering     |
| Tuesday,<br>25/09/2018   | Surveying                                     | Water Resources Engineering-I         | Design of Concrete Structures        |
| Wednesday,<br>26/09/2018 | Solids Mechanics                              | Building Planning                     | Highway Engineering                  |
| Thursday,<br>27/09/2018  | Programming Applications in Civil Engineering | Geotechnical Engineering              | Town Planning                        |
| Friday,<br>28/09/2018    | Engineering Economics & Management            | EIS I (Elective)                      | ES I (Elective)                      |

**Seating Arrangement:**

| Semester                 | CRC 1  | CRC 2   | CRC 3   |
|--------------------------|--|---|---|
| 3 <sup>rd</sup> Semester | (A Division) U16CE007, U17CE001 to 034 (Total 33)  | U17CE035 to 057 (A Div)<br>U17CE058 to 075 (B Div) (Total 33)   | (B Division) The Rest (Total 32)                                    |
| 5 <sup>th</sup> Semester | (A Division) U16CE001 to 036 (Total 30)  | U16CE038 to 049 (A Div)<br>U16CE050 to 068 (B Div) (Total 30)   | (B Division) The Rest (Total 20)                                    |
|                          | CRC 1 - EIS I - CE309 - Industrial Safety & Environment – U16CE067 to U16ME147 (Total 30)<br>CRC 2 - EIS I - CE309 - Industrial Safety & Environment – U16CE001 to U16EE052 (Total 30)<br>CRC 3 - EIS I - CE319 - Environmental Management – U16CH033 to U16CE082 (Total 30)<br>CRC 4 - EIS I - CE319 - Environmental Management – U16ME034 to U16CH050 (Total 30)<br>CRC 5 - EIS I - AM309 – Introduction to Earthquake Engineering – U16ME041 to U16ME136 (Total 30)<br>CRC 6 - EIS I - AM309 – Introduction to Earthquake Engineering – U16ME105 to U16ME109 (Total 30) |   |   |
| 7 <sup>th</sup> Semester | (A Division) U15CE001 to 042 (Total 30)  | U15CE043 to 059 (A Div)<br>U15CE061 to 080 (B Div) (Total 30)   | (B Division) The Rest (Total 28)                                    |
|                          | ES I – CE417 - Water & Waste Water Treatment – U15CE006 to U15CE100 (Total 30)   | ES I – CE417 - Water & Waste Water Treatment – U15CE096 to U15CE098 (Total 19)<br>ES I – AM437 - Ground Engineering – U15CE020 to U15CE049 (Total 11) | ES I – AM437 - Ground Engineering – U15CE045 to U15CE075 (Total 29) |
