

ABOUT THE INSTITUTE

The institute, one of the pioneering engineering institutions of the country, was established in 1961 as Sardar Vallabhbhai Regional College of Engineering & Technology and was given a status of National Institute of Technology, in 2002. At present, there are six undergraduate courses, seventeen postgraduate courses and Ph.D. programmes in all disciplines of engineering, applied sciences and English. It has an excellent placement record with a number of top-ranking companies visiting the campus. The whole campus has connectivity of the internet with fiber-optic network including faculty quarters and student hostels.

**Writing Quality Research
Paper and Proposal**

6th-10th July 2021

ABOUT THE DEPARTMENT

The Department of Applied Mathematics & Humanities has always believed in striving for excellence in research and teaching and succeeded in this endeavour to a large extent. Over the years, the department has evolved as one of the epicenter of research in Gujarat, India. In the pursuit for research, the Faculty members of the department have covered a vast area such as Numerical & Classical methods in fluid mechanics, Special functions, integral Transforms, Approximation theory, Mathematical Modeling, Numerics of differential equations, fractional differential equations, Mathematical and Computational Biology, Bioinformatics, Techno innovation to Techno entrepreneurship, Entrepreneurship, Postcolonial Fiction, Communication Skills and Employability Skills.

ABOUT CCE

Center for Continuing Education (CCE) was established in Feb-2017 at SVNIT with prime objective to imparting skill developing training programs to faculty, research scholars, UG/PG students, industry professional through planning and organizing Workshop/STTP/STC/Expert talks on the concept of self-sustainability approach as per MHRD guidelines.

ABOUT THE PROGRAMME

Writing and publishing papers help share our research with the global audience. With UGC, AICTE, and MHE expecting Indian researchers to publish in internationally acclaimed SCI indexed/ SCOPUS indexed journals, writing quality research papers, theses and books have become all the more challenging.

Most research scholars who enrol in PhD course face difficulty in writing paper that is precise, objective, accurate and fully referenced. Hence, this program aims to address these problems faced by multi-disciplinary researchers of India by inviting the most prolific writers and best teachers from IITs, NITs and EFLU to teach, train and share the special conventions of effective writing.

RESOURCE PERSONS

- Learn all about Writing Quality Research Papers from renowned experts who are also reviewers and editors of SCOPUS Indexed /SCI Journals.
- All Resource persons will be from IITs, NITs and Central Universities.

WHO CAN ATTEND?

- The faculty members of the AICTE approved institutions
- Research scholars
- PG scholars
- School teachers
- Participants from Government/ Industry who are interested in research writing

REGISTRATION DETAILS

→ Registration Fee:

Students (PG/PhD/Diploma)- Rs. 750/-
Academician/Scientist/Researcher- Rs. 1000/-
Professionals- Rs. 1500/
Foreign Participants- \$20

→ Bank Account Detail:

Account Holder Name: **Director, SVNIT-CCE**
SBI Account Number: **37030749143**
Branch Name: **SBI, SVCET Branch**
Bank IFSC: **SBIN0003320**

Note: Please mention "STTP-WQR" in the decription/remark during payment and attach payment proof while registering through Google form.

→Online Registration Link:

<https://forms.gle/QDH7i97ZJ4kcjkWi6>

→ Last Date for Registration: 30.06.2021

→ Google Meet link will be shared with the participants before the beginning of the programme.

→The certificate of participation will be mailed to the candidates securing more than 70% of attendance.

SESSION DETAILS

No	Session Topic
1	Elements of Research
2	Digital Tools for Research
3	Writing Journal Articles
4	Elements of a Research Paper
5	Developing your Argument in Research
6	Language and Vocabulary of Research
7	Editing your Work
8	Tools for Referencing
9	Role of Research in New Knowledge Creation
10	What is New Research?
11	Routine of a Researcher
12	Journal Identification and Submission Guidelines
13	Review Preparation and Reviewers' Expectations
14	Requirement of Research
