

TRACKS

1. Mini/Micro/Nanoscale Flow and Heat Transfer
2. Multiphase Flow and Heat Transfer
3. Flow Instability and Turbulence
4. Porous Media, Radiation, Inverse and Bio heat Transfer
5. Combustion, Fire and Fuels
6. Refrigeration and Cryogenics
7. Flow Visualization, Measurement and Instrumentation
8. Application of AI in Flow and Heat Transfer
9. Thermal Management of Electronics Systems
10. Flow and Heat Transfer in Advanced Applications
11. Thermo-economic Analysis of Energy Systems
12. Miscellaneous Topics

1ST ANNOUNCEMENT AND CALL FOR PAPERS

The 2nd National and 1st International Conference on Advances in Fluid Flow and Thermal Sciences (ICAFFTS-2021) will be held as the **Diamond Jubilee Celebration Event** at Sardar Vallabhbhai National Institute of Technology, Surat, (India) during 24th-25th September, 2021. The aim of the conference is to provide a suitable platform for academic scholars, researchers and practitioners across the globe to disseminate advances in the relevant fields and to foster an environment conducive to exchanging ideas and information. The platform will be open for interdisciplinary researchers to present and discuss the most recent innovations, trends and concerns as well as the practical challenges encountered and solutions adopted in the fields of fluid flow and thermal sciences.

All selected papers will be peer reviewed and accepted papers will be published in the SCOPUS Indexed conference proceeding. Papers of archival quality with extended version will be considered for the possible publications in SCOPUS Indexed journals.

IMPORTANT DATES

Paper Submission Opens	March 30, 2021
Paper Submission Closes	May 15, 2021
Acceptance Notification	June 20, 2021
Early Bird Registration Opens	June 20, 2021
Early Bird Registration Closes	July 20, 2021
Registration Closes	August 31, 2021

ORGANIZED BY

Thermal and Fluids Section

Mechanical Engineering Department
