SHORT TERM TRAINING PROGRAM

ON

**Advances in Materials & Design
(AMD-2023)**

January 30 – February 3, 2023

Coordinators

Dr. Sandeep Soni

Dr. J. V. Menghani

Dr. S. N. Pandya

Organized by

**Department of Mechanical Engineering
Sardar Vallbhbhai National Institute of
Technology, Surat -395007, INDIA**

About the Institute

Sardar Vallabhbhai National Institute of Technology (SVNIT) Surat is one of the National Institutes of Technology in India set up with the objective to provide high quality technical education to meet the needs of the Nation in the present competitive world. SVNIT is situated on Athwa-Dumas Road, Surat. The campus is opposite to the Ichchhanath Temple, piplod. The campus is spread over 250 hectares of lush green forest, which is midway between the Surat Domestic Airport and Surat Railway station, and is well connected by city buses and local trains. The campus is around 10 km from the Surat Railway station.

About the Department

Established in 1961, the department of Mechanical Engineering at SVNIT offers Under Graduate course in Mechanical Engineering and Post Graduate programs in Turbo-machines, CAD-CAM, Mechanical Engineering, Thermal System Design and Manufacturing Engineering. The department also offers Ph.D. programs to promote basic research activities in the abovementioned areas. The consulting services in diverse fields of Mechanical Engineering are carried out for local government, semi-government, non-government organizations, private firms etc. in the region with the support of well-equipped laboratories and advanced computing facilities.

Introduction

The five days Online Short Term Training Program (STTP) on “**Advances in Materials & Design (AMD-2023)**” is scheduled to be held during **January 30 - February 3, 2023**. The aim of the program provide a platform in which participants get knowledge about the advanced materials & design of machine elements as well its industrial applications. It will help to bridge the gap between theory and its real application in industry.

Objectives

The objective of this program is to train the faculty members, young scientists, research scholars and post graduate students of various organizations. The objectives of the STTP is to provide a platform for interaction and exchange of ideas in the field of Advanced materials and its applications from national academic institutes, research laboratories, and relevant industries. This training programme involves invited lectures by distinguished experts from NIT's, IIT's, IISC and reputed industries in the field of machine design and advanced materials. The proposed training program will bring together faculty members (cum research scholars) from different engineering and industrial fields to establish new collaborations and research.

Topics to be Covered

- Introduction to Advanced Materials
- Nanomaterials
- Advanced Coating Materials
- Composite Materials
- Advances in Material Characterization Techniques.
- Advanced Material Processing Techniques
- Theories on Friction and Wear
- Hydrodynamic & Hydrostatic Bearing Design
- Rolling Element Bearing
- Bearing Failure Analysis
- Vibration Analysis

Eligibility

This program is an interdisciplinary in nature so faculty members, research scholars and PG students from all background of engineering, mathematics and basic sciences are eligible for this Short Term Training Program (STTP). Scientists who are working in the R&D organizations/ Industry persons can also attend this programme.

Selection

Since the numbers of seats are limited to 50, the selection will be made on *first come first serve* basis and intimation will be sent to the candidates by email as per the schedule. E-Certificates will be issued to the participants only after attending the complete course.

Resource Persons

Distinguished experts from IITs, NITs and well known Industry will be invited for delivering lectures.

Organizing Committee

Patron

Dr. Anupam Shukla
Director, SVNIT, Surat

Chairman

Dr. J. Banerjee
Head, Department of Mechanical Engineering, SVNIT, Surat

Coordinators

Dr. Sandeep Soni
Assistant Professor,
Department of Mechanical Engineering
SVNIT, Surat
Mobile: +91-97273 37702
E-mail: s.soni@med.svnit.ac.in

Dr. J. V. Menghani
Associate Professor,
Department of Mechanical Engineering
SVNIT, Surat
E-mail: jvm@med.svnit.ac.in
(M) +91-94289 71929

Dr. S. N. Pandya
Assistant Professor,
Department of Mechanical Engineering
SVNIT, Surat
E-mail: s.pandya@med.svnit.ac.in
(M) +91-97234 55853

Important Dates

Last date of receipt of application 27/01/2023

Notification of confirmation (By Email) 28/01/2023

Registration Fee & Bank Details

Registration Fee including 18% GST:

**Rs. 826/- for student,
Rs. 2360/- for faculty and
Rs. 4720/- for person from industry**

The non-refundable registration fees should be paid only by **ONLINE TRANSFER** in account of:

Name of the beneficiary (In favor of):
Director SVNIT-CCE
Account Number: 37030749143
Branch code: 03320
IFSC code: SBIN0003320
MICR code: 395002012
Nature of Bank Account: Current account
Name of the Bank: State Bank of India
Branch: SVRCET Branch, SVNIT Campus,
Ichchanath, Surat – 395007, Gujarat, INDIA.
Branch contact no.: 0262 2258618, 0261 2227125

After Submission of fees the registration can be done using the following link:

<https://forms.gle/HXa2RgH6TE4zRD8g7>

Details of ONLINE platform will be provided to shortlisted candidates after completion of registration.
