All B. Tech./M.Tech./M.Sc./PhD students are informed that, the deadline for semester fee payment is extended up to **22nd January, 2024**. All students are kindly reminded to ensure timely payment of their semester fees on or before the specified date. You are also kindly requested to note that, in the event of delayed payment of fees, an additional charge of Rs. 100 per day will be applied in addition to the regular fees.

Special Note for Scholarship and Fee Remission Recipients:

Students who are beneficiaries of scholarships or fee remission are granted an extended payment deadline. They are requested to make their payments on or before **20th February 2024**. This extension is provided to accommodate the additional processing time required for scholarship and fee remission validations. In the event of additional fee payment, reimbursement for the extra fees incurred can be claimed.

Please be informed that failing to make the fees payment within the specified deadline may result in the student being ineligible to attend any of the examination.

We appreciate your prompt attention to this matter and wish you a successful and fulfilling semester ahead.
