Date: 21-10-2024

NOTICE – B.Tech. IV, 8th Semester 2024-2025

1. Students can undertake their internships in industries, IIT or NIT-recognized research labs, government or semi-government organizations, private companies, or incubation centres. They must choose one internal mentor from the department, in addition to their mentor from the host organization.
2. Students undertaking internships within the department must select a faculty mentor from the department to monitor their progress and complete the evaluation process. The mentor will ensure that each student is assigned a separate research topic.
3. In case students are not getting internship outside institute. Students need to contact faculty as a mentor.
4. Duration of internship as a semester duration minimum (6th January – 2nd May, 2025). The students may join the internship before the commencement of the 8th semester (i.e., in winter vacation). However student need to produce completion / ongoing progress at the time of evaluation (probably between 12 – 16 May 2025) as the case deemed.
5. The duration of the internship will be for one semester covering not less than 14 weeks time, however in case if internship period at one place is less than semester it can be completed with the following combinations,
 - (i) Outside (as mention in point 1)
 - (ii) Within department
 - (iii) Outside + Outside
 - (iv) Outside + Department
6. No financial burden will be borne by institute towards any expense for internship.
7. Software training/ training course will not be consider as internship.
8. Mentor will seek progress periodically by online/ offline mode.
9. Student will solely be responsible for safety measures at industry / organization etc.
