Project Ref. No. 4/384

Subject: Permission to circulate advertisement and conduct the interview for internship position under SSR scheme of DST-SERB Project grant under recurring SSR head.

SERB has adopted a Scientific Social Responsibility (SSR) policy to instill a culture of social commitment among project grantees. The SSR initiatives include infrastructure sharing, mentoring young faculty and researchers, fostering research culture among students and the academic community, as well as public outreach and knowledge dissemination.

Under this initiative, I plan to train one B.Tech./M.Sc. student from SVNIT Surat through a student internship under the SSR scheme of the DST-SERB Research Project. The selected student will receive an assistantship of ₹5,000 per month from May 12, 2025, to July 11, 2025, with a maximum total of ₹10,000.

To facilitate the selection process, I request approval for the proposed selection committee* and permission to conduct the interview in April 2025 (tentatively April 18, 2025). Moreover, I seek approval for the selected candidate to join the internship from May 12, 2025.
