(SAMCS - 2026)

ABOUT SVNIT

Sardar Vallabhbhai National Institute of Technology (SVNIT) was established in 1961 as one of the Regional Engineering Colleges for imparting technical education. In exercise of the powers conferred by section 3 of the University Grants Commission (UGC) Act, 1956, the Central Government on the advice of the University Grants Commission, has declared the Sardar Vallabhbhai Regional College of Engineering & Technology (SVREC), Surat to Sardar Vallabhbhai National Institute of Technology (SVNIT), Surat with status of "Deemed University" with effect from 4th December 2002. The Institute has been granted the status of 'Institute of National Importance' w.e.f. 15th August, 2007.

At present, the Institute is offering 11 UG Programmes, 21 PG Programmes and Five Years Integrated M. Sc. (Chemistry, Physics and Mathematics) including doctoral programme in all above branches. The National Institutional Ranking Framework (NIRF) of the Ministry of Education Government of India, has identified SVNIT as one of the best Institute of National importance of Government of India. The SVNIT has excelled tremendously in various research areas in Applied Sciences and Engineering disciplines during the last ten years, and received prestigious awards and grants from various Government bodies.

ABOUT DEPARTMENT OF CHEMISTRY

Department of Chemistry is one of the most prominent departments in SVNIT, Surat, Gujarat, India. It offers Five Years Integrated M. Sc. in Chemistry, B.Tech. in Industrial Chemistry and Ph.D. program. The academic achievements of the department are well reflected by over 1000 research papers published in various reputed International Journals and more than 80 Ph.D.'s produced covering a wide spectrum of the Chemical Sciences.

(SAMCS - 2026)

The Department of Chemistry has been the proud recipient of individual research projects sponsored by various funding agencies including DST, CSIR, BRNS, UGC-DAE, DRDO and GUJCOST, to name a few. The department has already organized various STTP, National and International Conferences. The department has produced eminent Chemists, Prime Minister's Research Fellow, NET and GATE qualified candidates in addition to generation of trained human resources in different spheres of Chemical Sciences. Further, several international fellowships (DAAD, RSC Researcher Mobility Grants and Raman-Charpak Fellowship) have been received by the students of Department Chemistry. The department has an outstanding performance in filling the patents and commercializing the innovative work of faculty. Please refer the following link for further details:

ABOUT SAMCS - 2026

The lectures delivered by eminent resource persons at **SAMCS-2026** promise to be enlightening, interactive, and thought-provoking. Such deliberations will provide valuable insights into recent advancements in **sustainable approaches, advanced materials, green chemistry, catalysis, computational tools, chemical synthesis and characterization techiques**, while addressing contemporary challenges in chemical science and technology.

SAMCS-2026 aims to inspire and encourage young researchers, students, academicians, and professionals to explore innovative and sustainable solutions to emerging global challenges, including environmental pollution, resource conservation, Pharmaceuticals, energy efficiency, and the development of advanced materials and eco-friendly chemical processes. The programme will provide a valuable platform for participants to interact with experts, exchange scientific ideas, understand current research practices, and develop a deeper appreciation of sustainable chemistry and its applications in academia and industry.

(SAMCS - 2026)

Short Term Training Programme (Online Mode) on Sustainable Approaches, Materials and Chemical Synthesis (SAMCS-2026)

18th – 22nd November 2026

Organized by
Department of Chemistry
S. V. National Institute of Technology
Surat 395 007, Gujarat, India

(SAMCS - 2026)

THEMES

- Green and Sustainable Chemistry
- Organic Synthesis and Methodologies
- Catalysis and Sustainable Catalytic Processes
- Green Solvents, Microwave and Solvent-Free Synthesis
- Nanomaterials: Synthesis, Characterization and Applications
- Biomaterials and Sustainable Materials
- Approaches in Pharmaceutical and Medicinal Chemistry
- Green Approaches to Drug Design and Chemical Synthesis
- Computational Chemistry, AI and Machine Learning in Chemical Research
- Analytical Techniques for Chemical Research
- Emerging Trends and Industrial Applications in Chemical Science

Participants (Limited Seats: 50) are requested to fill the online registration form using Google form (for STTP) link on or before 16 November, 2026:
https://forms.gle/hDeuoPn4Jh9W1MAH6

(SAMCS - 2026)

REGISTRATION

Registration Fee for the Conference:
Participants should pay the registration fees by online transfer only to the account detailed below or by QR code. After payment, kindly acknowledge the payment details using E-mail: samcssvnit2026@gmail.com

Participants	Registration Fees(INR) (With 18% GST)
Academicians/ Scientists/ Researchers	750/-
Faculty from SVNIT	600/-
UG/PG Students other than SVNIT	500/-
Ph.D. students	600/-
Industry personnels	1000/-

Bank details of SVNIT Surat are as under:
Bank Name: State Bank of India
Account No: 37030749143
Account Name: Director, SVNIT-CCE
IFSC Code: SBIN0003320
Swift Code: SBININBB Brach Code: 3320
Bank Branch: SVNIT, Surat Branch
Bank Address: SVNIT Campus, Surat – 395007, Gujarat, India.

Registration fees is non-refundable. Programme schedule and details regarding link will be communicated to the registered participants *via* email by 16 November 2026.

SCAN & PAY

(SAMCS - 2026)

CHIEF PATRON
Prof. Anupam Shukla,
Director, SVNIT, Surat.

PATRON
Prof. Suresh Kumar Kailasa
Head, Department of Chemistry
SVNIT, Surat.

COORDINATORS

Dr. Premlata Kumari

Prof. Kalpana Maheria

Prof. Smita Jauhari
