Date : 16/09/2026

Student Mentorship Programme (SMP) is one of the most needed structures for the first year student. Therefore, to implement the same the Institute faculty members are appointed as Faculty Mentor (FM), Ph.D. students are appointed as Senior Mentor (SM) and the senior students are appointed as Mentor (M) as per attached approved list for B.Tech. and M.Sc. 1st year students of the Academic Year 2026-2027.

They are required to extend help and support to the students for any guidance for the entire course of study. Students are required to communicate to the respective FM, SM and M for any guidance during the entire course.

STUDENT MENTORSHIP PROGRAMME

2026-2027

1.0 About

The Student Mentorship Program (SMP) at SVNIT, Surat, is designed to foster positive and constructive interaction between senior and junior students. The program aims to provide guidance and mentorship to first-year students by utilizing the experience of senior students. Student Mentors play a facilitative role in supporting the development of their mentees. In addition to benefiting the mentees, the mentoring relationship also offers developmental opportunities for the mentors themselves.

2.0 Objective

The main purpose of a mentorship program for **First Year Students (FYS)** is to ease their transition into Institute life and help them adjust to their new surroundings. The program aims to pair these incoming students with experienced senior students (SVNITians) who can offer guidance, support, and valuable insights about the institution and campus life. The key goals of the mentorship program include:

- 1. Orientation and Familiarization:** Introducing FYS to the campus layout, facilities, academic buildings, libraries, and other important resources. Mentors can assist newcomers in understanding the campus infrastructure, making them feel more comfortable and confident in navigating the campus.
- 2. Academic Support:** Assisting FYS in understanding the academic structure, class registration, course requirements, and study techniques. Mentors can share their experiences, offer study strategies, and recommend helpful resources like study groups.
- 3. Social Integration:** Encouraging FYS to engage in extracurricular activities, clubs, and campus events. Senior mentors can guide them in finding clubs or organizations that align with their interests, fostering a sense of belonging and community.
- 4. Personal Development:** Supporting students' personal growth and well-being. Mentors can advise on managing stress, time management, and balancing academics with other aspects of hostel life. Institute has Women's Cell and Internal Complaint Committee (ICC) for harassment complaints.
- 5. Networking and Career Guidance:** Mentors can share their own experiences regarding internships, job fairs, and career development opportunities, incubation facility at ASHINE, the section 8 non-profit company of SVNIT. They can also inform FYS about the incubation facility at ASHINE and the start-up funding support available through the SSIP policy, helping them plan their journey as future founders. This guidance can be invaluable as first-year students begin exploring potential career paths.

- 6. Building Relationships:** Encouraging an open and trusting relationship between mentors and mentees, allowing mentees to feel comfortable seeking help and advice.
- 7. Retention and Success:** Enhancing the retention rate of first-year students by providing a support system that helps them overcome challenges and stay motivated throughout their first year.
- 8. Diversity and Inclusivity:** Promoting a welcoming and inclusive environment by connecting students from diverse backgrounds and cultures.
- 9. The immediate Point Of Contact (POC) and escalation process for issues, problems, and emergencies:**

Immediate POC (Point Of Contact)

Level 1: The immediate POC for any issue, problem, or emergency is the person who is the direct Student Mentor (M) (as per Section 3 of this document) for the area/group or function where the issue has occurred.

Level 2: If the Level 1 POC cannot resolve the issue, it should be escalated to their Senior Mentor (SM).

Level 3: If the Level 2 POC cannot resolve the issue, it should be escalated to their Faculty Mentor (FM).

Level 4: If the issue cannot be resolved at Level 3, it should be escalated to the next level of the Student Mentorship Programme Committee (SMPC).

Level 5: If the issue cannot be resolved at Level 4, it should be escalated to the next level of the Student Mentorship Programme Central Committee (SMPCC).

Escalation Process

The escalation process is a set of steps to escalate an issue to the next management level. The steps in the escalation process typically include the following:

- The immediate POC attempts to resolve the issue. If the immediate POC cannot resolve the issue, they escalate it to the Senior Mentor (SM).
- The SM attempts to resolve the issue. If the SM cannot resolve the issue, they escalate it to the Faculty Mentor (FM).
- The FM attempts to resolve the issue. If the FM cannot resolve the issue, they escalate it to FIC.
- The FIC attempts to resolve the issue. If the FIC cannot resolve the issue, they escalate it to SMPC/SMPCC.

The student mentorship program can contribute to a positive Institute experience for FYS and improve their overall satisfaction and success during their time at the SVNIT.

3.0 Structure of SMP:

Note:

- SM, Ms and FYSs all will be from the same branch/Discipline
- FYS is a cluster of 10 students from 1st year B.Tech. / MSc. of the same branch/discipline

Student Mentorship Programme Central Committee (SMPCC)

- 1) Dean Acad –Chairperson
- 2) Dean SW
- 3) HoD -of the concern department of the first year student
- 4) Asso. Dean SW
- 5) Asso. Dean Acad (First year) – Member Secretary

Student Mentorship Programme Committee (SMPC)

- 1) HoD -of the concern department of the first year student
- 2) Faculty Mentor
- 3) DAAC Secretary - of the concern department of the first year student

ROLE OF MENTORS:

Faculty Mentor (FM):

- The FM will be a faculty member of the same branch/discipline as SM, M, and FYS. In case, of inadequate numbers of faculty members in concern department, FM will be assigned from the other department.
- The FM will hold monthly review meetings with the SMs to assess the level of coordination between Mentors and FYS. These meetings aim to determine if the support provided to FYS is satisfactory and if the FYS feels comfortable on campus.
- The monthly review meeting report is to be submitted by 10th day of every month as per the format mentioned in the Annexure I with the respective attendance sheet to the office of Dean (SW).

Senior Mentor (SM):

- The SM will be PG and Ph.D. students of the same branch.
- SM is required to conduct every 15 days review meetings with Mentor students in order to provide guidance and assistance to the incoming FYS under their supervision. If any issues regarding FYS require special attention, SM should inform the FM of the respective group as allocated.
- Each SM have to submit the review meeting report along with the attendance reports as per annexure II to the respective FM.

3rd year student (Mentor):

- A group of 10 FYS will be allocated to selected 3rd year students who will be directly in touch with the FYS. The Mentor will guide FYS about campus life, extracurricular activities, clubs, and events on campus. Mentors can advise on managing stress, time management, and balancing academics with other aspects of college life.
- Mentors will conduct weekly meetings with their assigned mentees (10 FYS). They will then provide updates to their SM during their regular meetings.
- SMP is meant to develop a strong bridge between FYS and senior students of the Institute to make them aware of campus life and their responsibility, ethics, and discipline as a student.
- It is important to note that all mentors must adhere to the Institute's rules and regulations, such as refraining from engaging in ragging, giving misleading information, or any unethical actions. Any violations will result in disciplinary action against the Mentor by the Student Mentorship Programme Committee (SMPC).

FYS (Mentee)

- FYS are new to Hostel life, and correct guidance via their SM will play a big role in getting them aware of the facilities, Dos, and Don'ts for their better career and stay at the SVNIT.
- FYS can take the help of their Mentor to understand the campus life, facilities, rules and Regulations followed, academic structures, extracurricular activities, sports, clubs, and different opportunities for students to explore.

4.0 Functioning of the SMP

- When it comes to matters concerning hostel life that require intervention for the well-being of the students, the student mentors have the authority to notify the hostel authorities. The hostel bodies must take these notifications seriously.
- Student Mentors can do online Google meetings with the FYS who need assistance. All student mentors should use the institute email for any online Google meetings.
- The Mentor has the responsibility and authority to address academic issues that require preventive or corrective action for the benefit of the students. They can bring these cases to the attention of the relevant Faculty Mentor, who will then take the necessary steps.
- If matters affect the students and can only be resolved at the institute level, the Student Mentors will inform the Faculty Mentor, Student Mentor coordinator, and Deans. The mentor team needs to work together with other institute staff.
- For FYS who need extra assistance, SM will coordinate with the FM. They will also receive guidance from the FM, SMPC, or SMPCC on a case-to-case basis.

5.0 Information should be with SM during interaction with FYS:

Following things a mentor should know about his/her mentees (FYS) by the end of the first month:

1. Name, room no. and contact number, roll number
2. FYS inmates name, contact number, roll number,
3. FYS contact details of parents/guardians or local guardians (especially for students from other states).
4. Is he/she comfortable interacting with others?
5. Is he or she overly reserved?
6. If he/she encounters any language difficulties?
7. If he/she has any serious medical history/issues?
8. If he/she belongs to a remote village/town/metropolis
9. Is he/she enthusiastic about engineering/academics?

10. What are his/her hobbies?
11. Whether he/she can cope with the academics, or has he/she given up?
12. Has he/she succumbed to any bad habits?
13. Is he/she attending classes regularly?
14. Is the mentee communicating regularly with family/friends?
15. Whether teaching/learning happening as per expectation?
