Subject: Request for Removal of Long-Parked Two-Wheeler Vehicles Near Main Gate.

Dear Sir,

It is to inform you that approximately 96 two-wheeler vehicles are being parked near the Main Gate, in front of the SBI parking area.

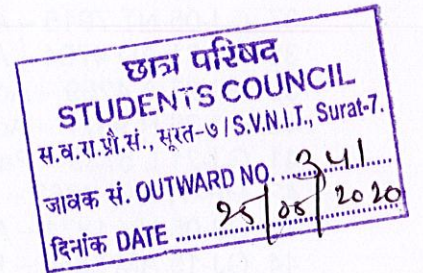

Out of these, 12 old vehicles have been parked at the same place for a long time and appear to be unused or abandoned, while the remaining 84 vehicles are being used by hostel students.

It has been observed that some hostel students take their bikes outside the campus and again park them at the same location before 11:00 PM. Due to this, the parking area remains occupied most of the time, and there is not enough space for local students and visitors.

The details of the identified vehicles are given below:

As these 12 vehicles have no regular user and have been left at the location for a long period, it is requested that they may kindly be shifted to the designated area behind the bank, as per the applicable procedure.

Further, the 84 hostel students using these vehicles may kindly be instructed through the Hostel Section to take their vehicles outside the campus and not park them near the Main Gate.

This action will help to free the parking space near the Main Gate and provide sufficient space for local students, visitors, and other persons coming to the Institute

Hence, I request you to kindly circulate an appropriate notice on all Hostel Notice Boards and take necessary action in this matter.

Yours sincerely,
