CORRIGENDUM

Subject: Extension of last date of application for the post of Junior Research Fellow (JRF)

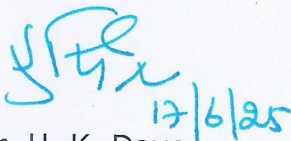

This is to inform all prospective candidates that the deadline for submitting applications for the Junior Research Fellow (JRF) is extended of GUJCOST Project "Low cost selective powder deposition process for 3D printing of metal/ceramic composites for industrial application". The new extended date is as under:

- **Extended Application Deadline: 30/06/2025**

Candidates are encouraged to take advantage of this extension to complete and submit their applications. All other terms and conditions of the application process remain unchanged.

Link for submission of application form: <https://forms.gle/QdPKNvJyUwRWS3Uc6>
