Item No. 1 : To consider and adopt suitable resolution in the cases of weak students who have failed in more than three courses (i.e. theory subject, practical, workshop, seminar, project etc) in previous Academic Year 2022-23 (Odd plus Even semesters together).

Reso. No. 1 : Resolved that tentative registration of the following students who have failed ((i.e. who have obtained 'FF', 'NA', 'NF', 'XX' and 'II' grade) in more than three courses (i.e. theory subject, practical, workshop, seminar, project etc) of odd plus even semesters together at previous academic year 2022-2023 be cancelled for Academic year 2023-24.

Further, resolved that these students be allowed to re-register at appropriate semester for the failed courses / Equivalent courses (if a new course is offered) ('FF', 'NA', 'NF', 'XX' and 'II' grade courses) and pay necessary fees and re-register and repeat the failed courses during the academic year 2023-24. Their attendance will be counted from the date of registration of failed courses and they may be allowed to appear in makeup test of MID SEM Examination.

The last date of registration of such failed courses will be **August 21, 2023**. Also, resolved that full tuition fee be refunded to the students (among those listed in table below) who have paid the fees for the odd semester of B.Tech./M.Tech./M.Sc. for the Academic Year 2023-24.

Item No. 2 : To make suitable resolution in the cases of weak students having backlog of (n-2)nd year, i.e., 1st year / 2nd year (and 3rd year in case of M.Sc. students) (where n=current year).

Reso. No. 2 (a) : Following resolutions were adopted in accordance with Academic Regulations 15.5 :

Resolved that students, having more than one backlog course, at 1st or 2nd years (or 3rd year in case of M.Sc.) [i.e.(n-2)nd years], are prevented from continuing their registration in 3rd or 4th year (or 3rd year in case of M.Sc.) [i.e. nth years] respectively of their B.Tech./M.Sc. Programs during Academic Year 2023-24. They are required to appear in the supplementary examinations (theory & practical) of Odd and Even Semesters to be held during February 2024 and July 2024 by filling examination forms during the appropriate semesters and paying the required examination fees.

The student may request for re-registration in a failed course / equivalent course (if a new course is offered) in order to improve his/her **internal marks**.

It is also resolved that those students who have been awarded 'XX' grade are required to re-register and repeat the same subject(s) at appropriate semester by paying necessary fees and appear at appropriate semester examination.

The last date of registration/re-registration of such failed courses will be **August 21, 2023** in current semester. Resolved further that their attendance will be counted from the date of registration/re-registration of failed courses, and they may be allowed to appear in makeup test of MID SEM Examination.

Also, resolved that full tuition fee be refunded to the students who have paid the fees for the odd semester of B. Tech./M.Sc. for the Academic Year 2023-24.

Reso. No. 2 (b) : Resolved that students of B.Tech and M.Sc. programs with one course backlog at (n-2)nd year (i.e. 1st or 2nd or 3rd year as the case may be) (as per list below) are allowed to register and pay tuition fees for all regular courses in nth year. They are required to appear and clear the (n-2)nd year course in the appropriate supplementary examinations. They will not be allowed to register further in (n+1)th year, till they clear the (n-2)nd year backlog course.

The student may request for re-registration in a failed course / equivalent course (if a new course is offered) in order to improve his/her internal marks.

It is also resolved that those students who have been awarded 'XX' grade are required to re-register and repeat the same subject(s) at appropriate semester by paying necessary fees and appear at appropriate semester examination.

Resolved further that their attendance will be counted from the date of registration/re-registration of failed courses, and they may be allowed to appear in makeup test of MID SEM Examination.

Also, resolved that full tuition fee be refunded to the students who have paid the fees for the odd semester of B. Tech./M.Sc. for the Academic Year 2023-24.

This resolution is very specific in the context of the item 2 for the Nth year, i.e. the current academic year (2023-24) for the program study. Its citations for future cases in general is not applicable.
