The item wise resolutions adopted by Academic Performance Review Committee (APRC) held on 20th August 2025 are marked in the following sections.

Item No. 1 : To consider and adopt suitable resolution in the cases of weak students who have **failed in more than three courses** (i.e. theory subject, practical, workshop, seminar, project etc.) in previous Academic Year 2024-25 (Odd plus Even semesters together).

Reso. No. 1 : Resolved that tentative registration of the following students who have **failed** ((i.e. who have obtained 'FF', 'NA', 'NF', 'XX' and 'II' grade) **in more than three courses** (i.e. theory subject, practical, workshop, seminar, project etc.) of odd plus even semesters together at previous academic year 2024-2025 be **cancelled** for Academic year 2025-26. The students will **not be allowed to register** new subjects the A.Y. 2025-26 as per academic regulations 15.5 wef 2013-14.

Further, it is resolved that

- i. Students shall be permitted to appear for the **supplementary examination** by paying the prescribed examination fees and registering (submitting examination forms) within the timeline specified by the Academic Section. This is applicable for failed courses ('FF', 'NA', 'NF', and 'II' grades) **only**, including theory, practical, workshop, seminar, project, etc., for both Odd and Even Semesters, to be conducted during Jan./Feb. 2026 and June/July 2026 for the Academic Year 2025-26.
- ii. The students having **XX** grade in courses (i.e. theory subject, practical, workshop, seminar, project etc.) be allowed to **re-register at appropriate semester** for such courses / equivalent courses (if the same course is not offered / replaced) and pay necessary fees, re-register and repeat the failed courses during the academic year 2025-26. Their attendance will be counted from the date of registration of failed courses and they will be allowed to appear in makeup test of MID SEM supplementary End Sem Examination. Further, their attendance will be counted from the date of registration of failure courses.

Such students may register for **mentoring** (Evening classes) to clear the subject in which 'XX' grade is awarded through 50 number of contact hours for a 'XX' grade subject (minimum 30 hours for theory and 20 hours for practical) by paying 20% of total tuition fees of the year per subject towards the mentoring, excluding the examination fees. The student has to maintain the attendance requirement as per the academic regulations clause 8. The student will be allowed to appear for the makeup test of the Mid-Semester Examination only. The student has to register (fill examination form) and pay the necessary fees within timeline set by academic section for appearing at the appropriate supplementary end sem examination to be held during Jan./Feb. 2026 and June/July 2026 for the Academic Year 2025-26. The

- iii. The students having FF, NA, NF and II grade in courses may **re-register** for the failed course in order to improve his/her **internal marks** at appropriate semester after paying necessary fees and repeat the failed courses / equivalent course (if the same course is not offered / replaced) during the academic year 2025-26. Their attendance will be counted from the date of registration of failed courses and they may be allowed to appear in makeup test of MID SEM Examination and Supplementary end sem examination. The last date of registration of such failed courses of Odd semester will be **September 15, 2025**.

Such students may also opt for the option of **mentoring** as mention in point ii by paying 20% of total tuition fees of the year per subject towards the **mentoring** in order to improve his/her **internal marks**

Item No. 2 : To make suitable resolution in the cases of weak students having backlog of (n-2)nd year, i.e., 1st year / 2nd year (and 3rd year in case of M.Sc. students) (where n=current year).

Reso. No. 2 (a) : Following resolutions were adopted in accordance with Academic Regulations 7.3 (e) wef 2023 and Academic Regulation 15.5 wef 13-14 :

Resolved that students, having **more than one backlog course**, at 1st or 2nd years (or 3rd year in case of M.Sc.) [i.e.(n-2)nd years], are prevented from continuing their registration in 3rd or 4th year (or 5th year in case of M.Sc.) [i.e. nth years] respectively of their B.Tech./M.Sc. Programs during Academic Year 2025-26. The student will **not be allowed to register in the nth academic year.**

Further, it is resolved that

- i. i. Students shall be permitted to appear for the supplementary examination by paying the prescribed examination fees and registering (submitting examination forms) within the timeline specified by the Academic Section. This is applicable for failed courses ('FF', 'NA', 'NF', and 'II' grades) only, including theory, practical, workshop, seminar, project, etc., for both Odd and Even Semesters, to be conducted during Jan./Feb. 2026 and June/July 2026 for the Academic Year 2025-26.
- ii. The students having XX grade in courses (i.e. theory subject, practical, workshop, seminar, project etc.) be allowed to re-register at appropriate semester for such courses / equivalent courses (if the same course is not offered / replaced) and pay necessary fees, re-register and repeat the failed courses during the academic year 2025-26. Their attendance will be counted from the date of registration of failed courses and they will be allowed to appear in makeup test of MID SEM supplementary End Sem Examination. Further, their attendance will be counted from the date of registration of failure courses.
- iii. Such students may register for mentoring (Evening classes) to clear the subject in which 'XX' grade is awarded through 50 number of contact hours for a 'XX' grade subject (minimum 30 hours for theory and 20 hours for practical) by paying 20% of total tuition fees of the year per subject towards the mentoring, excluding the examination fees. The student has to maintain the attendance requirement as per the academic regulations clause 8. The student will be allowed to appear for the makeup test of the Mid-Semester Examination only. The student has to register (fill examination form) and pay the necessary fees within timeline set by academic section for appearing at the appropriate supplementary end sem examination to be held during Jan./Feb. 2026 and June/July 2026 for the Academic Year 2025-26. The concerned course coordinator/ Subject teacher will

serve as mentor and will do the mentoring in the evening hours. The honorarium will be paid as per Resolution no. 3 of 16th meeting of SEC held on 12th September 2023. In case of the student enrolled for mentoring class, the old internal marks of the student will be replaced by the marks assigned by the mentor/coordinator. The last date of registration of such failed courses of Odd semester will be September 15, 2025.

- iv. The students having FF, NA, NF and II grade in courses may re-register for the failed course in order to improve his/her internal marks at appropriate semester after paying necessary fees and repeat the failed courses during the academic year 2025-26. Their attendance will be counted from the date of registration of failed courses and they may be allowed to appear in makeup test of MID SEM Examination. The last date of registration of such failed courses of Odd semester will be September 15, 2025.

Such students may also opt for the option of mentoring as mention in point ii by paying 20% of total tuition fees of the year per subject towards the mentoring in order to improve his/her internal marks

Also, resolved that full tuition fee be refunded to the students (among those listed in table below) who have paid the fees for the odd semester of B.Tech./M.Tech./M.Sc. for the Academic Year 2025-26.

Reso. No. 2 (b) : Resolved that students of B.Tech and M.Sc. programs **with one course backlog** at (n-2)nd year (i.e. 1st or 2nd for B.Tech. and 1st, 2nd and 3rd year for M.Sc.) (as per list below) and total backlog not more than three (or four for NEP students) **are allowed** to register and pay tuition fees for all regular courses in nth year. They are required to appear and clear the (n-2)nd year course in the appropriate supplementary examinations. They will not be allowed to register further in (n+1)th year, till they clear the (n-2)nd year backlog course.

Further, it is resolved that

- i. Students shall be permitted to appear for the supplementary examination by paying the prescribed examination fees and registering (submitting examination forms) within the timeline specified by the Academic Section. This is applicable for failed courses ('FF', 'NA', 'NF', and 'II' grades), including theory, practical, workshop, seminar, project, etc., for both Odd and Even Semesters, to be conducted during Jan./Feb. 2026 and June/July 2026 for the Academic Year 2025-26. In case a new course is offered, students may appear for the equivalent course.
- ii. The students having **XX** grade in courses (i.e. theory subject, practical, workshop, seminar, project etc.) be allowed to **re-register at appropriate semester** for such courses and pay necessary fees, re-register and repeat the failed courses during the academic year 2025-26. Their attendance will be counted from the date of registration of failed courses and they may be allowed to appear in makeup test of **MID SEM** Examination.
Such students may register for **mentoring** (Evening classes) to clear the subject in which 'XX' grade is awarded through 50 number of contact hours for a 'XX' grade subject (minimum 30 hours for theory and 20 hours for practical) by paying 20% of total tuition fees of the year per subject towards the mentoring, excluding the examination fess. The student will be allowed to appear for the makeup test of the Mid-Semester Examination only. The student has to register (fill examination form) and pay the necessary fees within timeline set by academic section for appearing at the appropriate supplementary end sem examination to be held during Jan./Feb. 2026 and June/July 2026 for the Academic Year 2025-26. The concerned course coordinator/ Subject teacher will serve as mentor and will do the mentoring in the evening hours. The honorarium will be paid as per Resolution no. 3 of 16th meeting of SEC held on 12th September 2023. The last date of registration of such failed courses of Odd semester will be **September 15, 2025**.
- iii. The students having FF, NA, NF and II grade in courses may re-register for the failed course in order to improve his/her **internal marks** at appropriate semester after paying

necessary fees and repeat the failed courses during the academic year 2025-26. Their attendance will be counted from the date of registration of failed courses and they may be allowed to appear in makeup test of MID SEM Examination. The last date of registration of such failed courses of Odd semester will be **September 15, 2025**.

Such students may also opt for the option of **mentoring** as mention in point ii by paying 20% of total tuition fees of the year per subject **towards** the **mentoring** in order to improve his/her **internal marks**

- iv. Also, resolved that full tuition fee be refunded to the **students** (among those listed in table below) who have paid the fees for the odd semester of B.Tech./M.Tech./M.Sc. for the Academic Year 2025-26.

NOTE: This resolution is very specific in the context of the item 2(b) for the Nth year, i.e. the current academic year (2025-26) for the program study. Its citations for future **cases** in general is not applicable.

Students shall be permitted to appear for the supplementary examination by paying the prescribed examination fees and registering (submitting examination forms) within the timeline specified by the Academic Section. This is applicable for failed courses ('FF', 'NA', 'NF', and 'II' grades), including theory, practical, workshop, seminar, project, etc., for both Odd and Even Semesters, to be conducted during Jan./Feb. 2026 and June/July 2026 for the Academic Year 2025-26

The student may request for re-registration at appropriate semester or for mentoring classes in a failed course / equivalent course (if the same course is not offered / replaced) in order to improve his/her internal marks as mention in resolution no 1(ii)

The last date of re-registration/mentoring of such failed courses will be September 15, 2025 in current semester. Resolved further that their attendance will be counted from the date of re-registration of failed courses, and they may be allowed to appear in makeup test of MID SEM Examination.

Item No. : 8 : To consider and adopt suitable resolution in the cases of weak students who have failed in more than four courses (i.e. theory, practical, combine theory and practical, workshop, seminar, project etc) during the previous year, for the batch admitted from 2023.

Reso. No. 8 : Resolved that tentative registration of the following students who have failed ((i.e. who have obtained 'FF', 'NA', 'NF', 'XX' and 'II' grade) in more than Four courses (i.e. theory, practical, combine theory and practical, workshop, seminar, project etc.) of odd plus even semesters together at previous academic year 2024-2025 be cancelled for Academic year 2025-26. The students will not be allowed to register in the A.Y. 2025-26 as per academic regulations 15.5 wef 2013-14.

Further, it is resolved that

- i. Students shall be permitted to appear for the supplementary examination by paying the prescribed examination fees and registering (submitting examination forms) within the timeline specified by the Academic Section. This is applicable for failed courses ('FF', 'NA', 'NF', and 'II' grades) only, including theory, practical, workshop, seminar, project, etc., for both Odd and Even Semesters, to be conducted during Jan./Feb. 2026 and June/July 2026 for the Academic Year 2025-26.
- ii.
