	(4) A request of Doshi Krushangi Pankaj (D18CH004), working under the Supervision of Dr. Alka A. Mungray, Asso. Prof., Department of Chemical Engineering, SVNIT, Surat about the category conversion from the PPF to the PEC. [Resolution no. 2 of ChED/774/2020-2021 dated 06-10-2021]		
Res.1	(a) Regarding the subitem (1), the IAAC declined the category conversion because of the lack of the GATE score of the Scholar. (b) Subitems (2)-(4) were recommended. Furthermore, the supervision strength of the each supervisor associated with Scholar Amit Kumar (D21CH003) is 0.5 (subitem (2)). For the vacancy calculation relating to the PhD thesis supervision, please see resolution 6(i) of the 51 st meeting of the Senate, clause 10.5 of the Academic Regulations and 'subitem 2 of item 3 and the associated resolution' of the 51 st meeting of the Senate.		
Item 2	A request of Nilesh Shantosh Dumore (D17CH008) working under the Supervision of Dr. Mausumi Mukhopadhyay, Professor, Department of Chemical Engineering, SVNIT, Surat for the two-month extension to his PhD thesis submission beyond the six-month synopsis-thesis submission duration. That is due to the inability expressed with regard		

	to the analysis part of his research from the laboratories of the other educational Institutions in view of COVID-19 pandemic. [Ref. No. ChED/478/2021-22 dated. 05/08/2021].
Res. 2	Approved.
Item 3	<p>To consider the recommendation of DAAC, Department of Computer Science and Engineering:</p> <p>(1) To discuss about earning additional credits by the PhD Scholar after completing the required course work and comprehensive examination. [Resolution no.1 of DAAC/COED/91/2021-2022 dated 28-05-2021]. It was recommended that the additional courses may be registered in consultation with the Supervisor(s) as a regular credit course, not as an audit course.</p> <p>(2) To discuss about the post-Doctoral position in the Department as approved by the Senate. [Resolution no.2 of DAAC/COED/91/2021-2022 dated 28-05-2021]. Recommended to allow the Post-doctoral positions in the Department with necessary guidelines approved by the Senate. Allowing the Post-Doc will enhance the research activity in the Department.</p> <p>(3) To contemplate about the start of M Tech specializations in different areas as proposed in the perspective plan of the Institute. [Resolution no.5 of DAAC/COED/91/2021-2022 dated 28-05-2021]. It was recommended to start the different M Tech specialization programmes based on main three core tracks in Data Science, Artificial Intelligence, Information Security and Privacy and sub-specializations areas like Data Analytics, Forensic Analysis, Internet of Things, Cyber Security, Natural Language Processing and Signal Processing. The Department has proposed the intake capacity, additional faculty requirements along with teaching schemes.</p> <p>(4) To discuss an additional pool of qualifying B.E./B.Tech. degrees for the CCMT admission in Computer Science and Engineering specialization Programme admission of Department of Computer Science and Engineering, SVNIT, Surat. [Resolution no. 1 of DAAC/COED/98/2021-2022 dated 01-06-2021].</p> <p>(5) To accommodate 15 Students from other Department for B. Tech. in (...) with minor in Computer Science and Engineering. [Resolution no. 1 of COED/DAAC/496/2021-2022 dated 06-08-2021].</p> <p>(6) A request of Gordhan B. Jethava (D18CO004), working under the Supervision of Dr. U. P. Rao, Assistant Professor, Department of Computer Science and Engineering, SVNIT, Surat about the category conversion from the FSC to the PEC. [Resolution no. 2 of COED/DAAC/496/2021-2022 dated 06-08-2021].</p>
Res. 3	<p>(a) The subitems listed at the serial orders (1)-(3) were noted. Notably, the response of other Departments about 'credit courses after the completion of the credit course requirement of the first-year Ph.D. programme' is awaited. Refinements in the post-Doctoral brochure is under the progress. Resolution 7 (the 51st meeting of the Senate) regarding the generalized scheme of the M Tech programmes, including the workshop requirement, stands applicable for the introduction of three new M Tech programmes in the Department (sub item (3)).</p> <p>(b) Regarding the subitems (4)-(5), the IAAC agreed. About the subitem (6), the category conversion was recommended.</p>
Item 4	To consider the recommendation of DAAC, Electrical Engineering Department.

	A request of Ritu Jain (D16EL003), working under the Supervision of Dr. V. Mahajan, Asso. Prof., Department of Electrical Engineering, SVNIT, Surat about the category conversion from the FIR to the FSF. [Resolution no. 57.1 of the DAAC].				
Res. 4	Recommended. The 'category duration' in connection with the FIR to the FSF conversion needs discussions and resolutions in the Senate.				
Item 5	To consider the recommendation of DAAC, Electronics Engineering Department about the following. To accommodate 15 students from other Departments for B. Tech. in (...) with minor in Electronics and Communication Engineering (ECE). [Resolution no. 62.1 of the DAAC].				
Res. 5	The IAAC agreed with the resolution of the DAAC.				
Item 6	To consider the recommendations of DAAC, Department of Mechanical Engineering. (1) About an additional UG Qualifying Degrees list for the CCMT admission for the M.Tech. (CAD/CAM specialization) and M.Tech. (Manufacturing Engineering, specialization) [Resolution no. 57.1 of the DAAC].				
	(2) About an 'addition' of a Supervisor for the PhD thesis Supervision of Nevil Gandhi (D20ME003). Res. 9	<p>Subitems (1)-(2) were recommended. Concerning the subitem (2), the supervision strength of Dr. Ankesh Kumar is one. The application was enrouted by the proper channel. The vacancy calculation is a requirement of the PhD admission (please see Resolution 6(i) of the 51st meeting of the Senate, clause 10.5 of the Academic Regulations and 'subitem 2 of item 3 and the associated resolution' of the 51st meeting</p>				

	of the Senate).									
Item 10	To discuss a timeline for the NBA requirement of the accreditation of the UG and PG programmes of the Institute. Currently, 4 UG programmes and 17 PG programmes are awaited for the accreditation.									
Res. 10	<p>The IAAC agreed with the timeline proposed in the Annexure 1. In addition to this, the Department of Civil Engineering would apply for the accreditation of the sixth PG programme after the <i>application</i> of the five PG programmes.</p> <p>The Head of the Department (Mechanical Engineering) proposed a separate timeline requirement for the NBA applicable procedural steps for the Department Academic programmes of the Mechanical Engineering. The UG accreditation of the Mechanical Engineering is effective till June 30, 2022. The accreditations of PG programmes of the Department are awaited. By giving considerations to the validity of the above-mentioned UG accreditation date and a sequence of the application for the accreditation of the UG and PG programmes, the DAAC recommendation would be submitted to the IAAC considerations. Annexure 1.</p>									
Item 11	To discuss the recall status, their associated time lines and the offline mode of the Spring Semester activity of the AY 2021-22.									
Res. 11	<p>Following the deliberations in the afore-said meeting, the recall status of the students and the associated timelines were resolved for the offline mode of the Spring Semester activity of the following B.Tech. and M.Sc. Item 12	About the physical presence of the students of M Tech second year and PhD second year onwards.									
Res. 12	The IAAC resolved the physical presence of the students of M Tech second year and PhD second year onwards. That is a requirement for the calculation of the stipend. Their physical reporting spans from December 6, 2021 to December 12, 2021.									
Item 13	To discuss the academic Calendar for the B.Tech. and M.Sc. programmes (first year) of the Academic Year 2021-22.									
Res. 13	<p>The academic Calendar for the B.Tech. and M.Sc. programmes (first year) of the academic Year 2021-22 was discussed and resolved in the IAAC. The IAAC recommends the Calendar for the Senate ratification (Annexure 2).</p> <p>Besides the above, the IAAC discussed the Autumn Semester activities (End Semester theory and practical examinations) of the B.Tech. and M.Sc. final year students of the Academic Year 2021-22, i.e. 7th and 9th Semester respectively, and agreed for their <i>offline</i> mode. For the above-mentioned examinations, the IAAC resolved that the assessment of the practical examination would be done in agreement with the laboratory demonstrations made during the semester.</p>
