Item No. 1: To reconsider the resolution No. 1 and No. 3a of APRC meeting No. Acad/APRC/2023-24/390, dated 10 Aug., 2023.

Reso. No. 1: Implementation of National Education Policy (NEP) from AY 2023-24 and Full-semester Internship in 8<sup>th</sup> Semester from AY 22-23, the major changes were carried out in the curriculum of all programmes in terms of inclusion of new subjects, reshuffling of the subjects and omission of few subjects in most of the semesters.

Due to this, it is very difficult to implement the resolution number 1 of APRC meeting No. Acad/APRC/2023-24/390, dated 10 Aug., 2023, that is, re-register and re-study of the failure courses again in the same semesters of Academic Year 2023-24 for the failure students of Academic Year 2022-23. In this context, it is resolved that tentative registration of the students who have failed (i.e. who have obtained 'FF', 'NA', 'NF' and 'II' grade) in **more than three courses** (i.e. theory subject, practical, workshop, seminar, project etc) of odd plus even semesters together at previous academic year 2022-2023 be cancelled for Academic year 2023-24 and these students should be allowed to appear for supplementary examination by paying examination fees and fill examination forms for appearing at the appropriate supplementary examinations **for the failed courses** ('FF', 'NA', 'NF' and 'II' grade courses). (including theory, practical, workshop, seminar, project, etc.) (Odd & Even Semester) to be held during Jan./Feb. 2024 and June/July 2024 for the Academic Year 2023-24.

Also, resolved that full tuition fee, if paid, be refunded to these students, who have paid the fees for the odd semester of B.Tech./ M.Sc. for the Academic Year 2023-24 as a process of re-registration.

Further it is resolved that they will be allowed to register for their next year study in Academic Year 2024-25, if they fulfill the criteria of failed in 3 or less than 3 courses in the current academic year 2023-24.

Item No. 2: Considering the theory and practical backlog awarded grades NA, FF, and II in the same subject as one backlog instead of two backlogs.

Reso. No. 2: The committee discussed various representations with the respect to above item from the students to consider the theory and practical backlogs in the same subject as one backlog as it is increasing the number of backlogs crossing the current threshold of three in number and affects the registration in the consecutive academic year and reduces the job prospect in the long run. The committee discussed the issue in detail and its effects. It is resolved that the backlog in theory and practical for the same subject will be considered as one backlog for the students awarded the grade NA, FF and II in the last examination held as well as it will be also effective for all students from the Academic Year 2023-24 onwards.

Hence, (a) the following students be allowed to register in their  $n^{\text{th}}$  year as their  $(n-2)^{\text{nd}}$  year courses is a single course with theory and practical together.

1. U19CE020 – KRISHABH KAPOOR
2. U19CS089 – ADIMULAM TEJA NAGENDRA SATYA SAI

(b) The following students be allowed to register in their  $n^{\text{th}}$  year with a 4 subject backlog, out of which one of the subject is a Theory and Practical/Laboratory subject (with 'FF', 'NA' grade only) in their  $(n-1)^{\text{th}}$  year courses.

1. U19CS122 - SOMAGONI DHANESH
2. U20EC126 – RISHIKESH KUMAR

Item No. 3: To reconsider the resolution No. 1 and No. 3b of APRC meeting No. Acad/APRC/2023-24/390, dated 10 Aug., 2023 for the students awarded 'XX' grade in the AY 2022-23 examinations.

Reso. No. 3: Implementation of National Education Policy (NEP) from AY 2023-24 and Full-semester Internship in 8<sup>th</sup> Semester from AY 22-23, the major changes were carried out in the curriculum of all programmes in terms of inclusion of new subjects, reshuffling of the subjects and omission of few subjects in most of the semesters.

Due to this, it is very difficult to implement the resolution number 1 of APRC meeting No. Acad/APRC/2023-24/390, dated 10 Aug., 2023, that is, re-register and re-study of the failure courses again in the same semesters of Academic Year 2023-24 for the failure students of Academic Year 2022-23. In this context, it is resolved that tentative registration of these students who have failed (i.e. who have obtained 'FF', 'NA', 'NF', 'XX' and 'II' grade) in **more than three courses** (i.e. theory subject, practical, workshop, seminar, project etc) of odd plus even semesters together at previous academic year 2022-2023 be cancelled for Academic year 2023-24 and these students should be allowed to clear the subject in which 'XX' grade is awarded through 50 number of contact hours for a 'XX' grade subject (minimum 30 for theory and 20 for practical) by paying 20% of total tuition fees of the year per subject towards the mentoring, excluding

the examination fees and fill examination forms for appearing at the appropriate supplementary examination to be held during Jan./Feb. 2024 and June/July 2024 for the Academic Year 2023-24. The concerned course coordinator / Subject teacher will serve as mentor and will do the mentoring in the evening hours. The honorarium of Rs.10,000 per subject will be paid to the course co-ordinator/Subject teacher, towards the mentoring the students. The honorarium of Rs. 2000 to the Lab Technician and Rs. 1000 to the Lab Attendant will be paid if a student is having 'XX' grade in any of the subject having laboratory.

Above resolution is also applicable to the students who are failed in **three or less than three** subjects with 'XX' grades (Ref. Reso. 3b of APRC meeting No. Acad/APRC/2023-24/390, dated 10 Aug., 2023)

Above all resolutions will be applicable to the 1<sup>st</sup> year students of AY 2022-23 in similar cases whose APRC is yet to be called.
