Items from Chair		
Item 64.05.01	To change in the eligible qualifying degrees pertaining to Ph.D admission in the Department of Management Studies	

Handwritten signature and date:
 4/5/25

Reso. 64.05.01	The proposal of Head Management studies was discussed. One of the members suggested to include the Economics in the Master Degree. Also, the members were of opinion that any faculty of the Institute having the requisite experience in the tribal technology may guide the students as a main supervisor in CoTTD. However, such candidate will be considered for the occupancy/vacancy calculation for that faculty member. After the deliberations, it was resolved the following for the eligible preceding degrees: Master in any discipline (MBA/M.Tech./M.S./M.Sc./ M.A./ M.Com./ MCA/ LLM/ M.Pharm./ M.Phil./MMS (Master of Management Studies) / MHRD (Master of Human Resource Development) / MPA (Master of Public Administration)/ CS / CA/ Economics etc.) or 2 year PG Diploma in Management from institutions/universities incorporated by an act of parliament or state legislature in India or other institutions declared to be deemed as University under Section 3 of the UGC Act, 1956, or possess an equivalent qualification recognized by the Ministry of Education, Government of India or AICTE or AIU or reputed foreign university. OR Executive MBA of at least one year duration from IITs/IIMs or institutions / universities incorporated by an act of parliament or state legislature in India or other institutions declared to be deemed as University under Section 3 of the UGC Act, 1956, or possess an equivalent qualification recognized by the Ministry of Education, Government of India or AICTE or AIU or reputed foreign university. Further, resolved that any faculty member of the Institute having the requisite experience in the area of Management Science/Tribal technology may guide the students of DoMS/CoTTD as a main supervisor. However, such candidate will be considered for the occupancy/vacancy calculation for that faculty member. Furthermore, candidates registered for the Ph.D. program under the Department of Management Studies, who do not have an MBA as their qualifying degree, are required to complete a minimum of 18 credits as part of their coursework.
Item 64.05.02	To consider the proposal of Department of Artificial Intelligence to increase the number of seats in the 5 Year Integrated B.Tech (AI) and M.Tech (AI) Program from 30 to 60 from the Academic Year 2025-26.
Reso. 64.05.02	Due to increase in demand for AI professionals across sectors in Industries and also to build strong alignment with the Government of India's AI Mission promoting education and innovation in this field, it is proposed to increase intake from 30 to 60 students for the 5-Year Integrated B.Tech (AI) and M.Tech (AI) program for the academic year 2025-26. Additionally, the Institute has the necessary class capacity to accommodate the increase of intake. This step will enhance the Institute's contribution to the national AI ecosystem and help to contribute the skilled manpower requirements of the future. After deliberations, it was; Resolved to recommend to the Board of Governors of the Institute for increase in intake from 30 to 60 students for the 5-Year Integrated B.Tech (AI) and M.Tech (AI) programme for the academic year 2025-26 onwards.
Item 64.05.03	To consider the electives and Institute Electives for departments/Centers.

Reso. 64.05.03	Resolved to approve the Core/Departmental/Institute electives of Department of Chemical Engineering and Centre for Tribble Technology Development.				
Item 64.05.04	To consider the proposal of Prof-In-charge Career Development Cell to relax the attendance Criteria.				
Reso. 64.05.04	In view of the Career Development Cell (CDC) activities, it is proposed to consider the request of the Prof-In-Charge, CDC to relax the attendance criteria for eligible students participating in pre-placement talks and recruitment processes. Many students are actively involved in these placement-related activities, including attending pre-placement talks, interviews, and assessments. As a result, they are missing regular classes and consequently falling short of the minimum attendance requirement. This situation may adversely affect their academic standing. The Prof-In-Charge, CDC requested before the senate to relax in attendance norms. This proposal aims to strike a balance between academic obligations and career opportunities for students. Resolved to constitute a committee to decide the mechanism to relax the attendance criteria for the students appearing for the Career Development Cell activities with valid proof of participation. The report of the committee shall be placed before the Senate meeting.				
Item 64.05.05	To consider the committee report regarding the conduction of the Ph.D. Viva Voce examination of Mr. Anshu Agrawal (DS20ME004).				
Reso. 64.05.05	The committee is of the view that the GATE 2015 score submitted by Mr. Anshu Agrawal could not be conclusively validated from any source. It is recommended that the candidate be called upon to submit an undertaking on legal paper affirming the authenticity of the GATE 2015 score. The undertaking should state that if, at any point, it is determined that the submitted GATE 2015 score was fraudulent, the candidate will be required to return all fellowship funds and financial assistance received during the course of the Ph.D. program to the institute. After deliberations, Resolved to conduct the Ph.D. Viva Voce Examination of Mr. Anshu Agrawal (DS20ME004) subjected to the affidavit on stamp paper affirming the authenticity of the GATE 2015 score. The affidavit should state that if, at any point, it is determined that the submitted GATE 2015 score was fraudulent, the candidate will be required to return all fellowship and financial assistance received during the course of the Ph.D. program to the institute. Further, Mr. Anshu Agrawal will be liable for the disciplinary actions initiated against him, if any.
