At the outset, the Chairman Senate warmly welcomed the Members present in the meeting including the External Members, who were present through online in the meeting.

Thereafter, the Dean (Academic) was requested to proceed with the agenda items.

Items and resolutions:

Item 68.01	To confirm the minutes of the 67 th meeting of the Senate held on May 7, 2026.
Reso. 68.01	Resolved to confirm the Minutes of the 67th Meeting of the Senate held on May 7, 2026. However, in view of the suggestion made by one of the Senators during the discussion on Resolution No. 67.04 (Sub-item 72.02) of the said Minutes, it was decided to constitute a committee to recommend an appropriate nomenclature for the program (Five Year BSc and MSc programme). The recommendation of the Committee shall be placed before the Senate for approval in its next meeting.
Item 68.02	To note and approve the actions taken on the resolutions except adopted in the 67 th meeting of the Senate held on May 7, 2026.
Reso. 68.02	Resolved to note and approve the actions taken on the resolutions adopted in the 67th Meeting of the Senate held on May 7, 2026, except Resolution No. 67.04 (Sub-item 72.02).

Item 68.03	To approve the Revision of Specifications of Institute Gold Medals and Continuation of Sponsored Medals
Reso. 68.03	<p>After a deliberated upon the proposal regarding the revision of the specifications of the Institute Gold Medal and the Siddhartha Gupta Gold Medal to be awarded during the Convocation ceremony, the Senate;</p> <p><i>“Resolved to approve the revised specifications (as per Appendix 68.03) of the Institute Gold Medal and the Siddhartha Gupta Gold Medal to be awarded during the Convocation ceremony.</i></p> <p><i>Further, resolved that those sponsored medals shall continue only if any shortfall between the accrued interest on the corpus fund and the cost of manufacturing and awarding the medals is met by the concerned sponsor.</i></p> <p><i>Further, resolved that the Institute shall request the concerned sponsors to augment the corpus amount to ensure adequate interest income for meeting the recurring cost of the medals. The Senate also approved that the minimum corpus amount for institution of any sponsored medal for Convocation shall be ₹5.00 lakh, to be maintained for a period of five years.”</i></p>
Item 68.04	To consider the report of the Committee constituted by the Chairman, Senate regarding the request of Ms. Desai Jigna Jayantilal (P10CO996) for permission to complete her pending M.Tech. dissertation (4th Semester) in the Department of Computer Engineering, SVNIT Surat, while continuing her employment.
Reso. 68.04	<p>The Senate considered the report of the Committee constituted by the Chairman, Senate regarding the request of Ms. Desai Jigna Jayantilal (P10CO996) for permission to complete her pending M.Tech. dissertation (4th Semester) in the Department of Computer Engineering while continuing her employment. After detailed deliberations, the Senate</p> <p><i>“Resolved to approve the recommendations of the Committee that Ms. Desai Jigna Jayantilal be granted readmission to the M.Tech. programme, subject to the prevailing academic regulations, for a period of one year to enable her to complete and submit her dissertation.</i></p> <p><i>Further, resolved that she shall not be eligible for any Institute scholarship during the period of readmission. She shall refund the scholarship amount received during the overlapping period, calculated at the equivalent value applicable on the date of repayment.”</i></p> <p><i>Further, she shall be permitted to register for the programme only after submission of a valid No Objection Certificate (NOC) from her employer.”</i></p>
Item 68.05	To consider the request forwarded by the Departmental Academic Advisory Committee (DAAC) of the Department of Computer Science & Engineering regarding, re-admission to the B.Tech. programme received from Mr. Pankaj Basphor (U22CS128).
Reso. 68.05	As per the Institute Regulations, the maximum duration permitted for completion of the B.Tech. program is seven years. Mr. Pankaj Basphor took admission in July

	<p>2022. Accordingly, he is required to complete the program by the end of the Academic Year 2028–29. However, till date, he has not successfully completed even the first semester. Therefore, it is not feasible for him to complete the B.Tech. program within the maximum permissible duration. After a detailed deliberation, the Senate;</p> <p><i>“Resolved that the request for re-admission of Mr. Pankaj Basphor (U22CS128) to the B.Tech. Programme be not approved.”</i></p>
Item 68.06	<p>To consider the recommendation of the Departmental Academic Advisory Committee (DAAC) of the Department of Computer Science & Engineering, regarding the request received from Neha Bhatia (U21CS015) to complete 8th semester ‘CS 402-P Industrial Training’ internship in Aug-Nov 2026.</p>
Reso. 68.06	<p>Ms. Neha Bhatia (U21CS015), a B.Tech. student of the Department of Computer Science & Engineering, had withdrawn from the 8th Semester on medical grounds and, consequently, could not complete the prescribed course "CS 402-P: Industrial Training" during the scheduled semester (January–April 2026).</p> <p>The student has subsequently submitted a representation requesting permission to undertake and complete the Industrial Training during the period August–November 2026. The request was placed before the Departmental Academic Advisory Committee (DAAC) of the Department of Computer Science & Engineering. After due consideration, the DAAC recommended that the student be permitted to complete the Industrial Training during the aforesaid period, subject to fulfilment of all academic requirements and evaluation in accordance with the Institute's Academic Regulations. After a detailed deliberation, the Senate;</p> <p><i>“Resolved that the recommendation of the Departmental Academic Advisory Committee (DAAC) of the Department of Computer Science & Engineering permitting Ms. Neha Bhatia (U21CS015) to complete the 8th Semester course ‘CS 402-P Industrial Training’ during the period August–November 2026 be and is hereby approved, subject to fulfilment of all academic requirements and evaluation as per the Institute's Academic Regulations.</i></p> <p><i>Further resolved that Ms. Neha Bhatia (U21CS015) shall be required to pay the applicable Institute fees for the previous semester(s) during which she had not registered, in accordance with the prevailing rules and regulations of the Institute.”</i></p>
Item 68.07	<p>To consider the request of the Centre for Tribal Technology Development for inclusion of interdisciplinary academic backgrounds in the eligibility criteria for admission to the Ph.D. programme.</p>
Reso. 68.07	<p><i>“Resolved to defer the item.”</i></p>
Item 68.08	<p>To consider the request of Ph.D. student Ms. Daxa Sharma (D17CH005) Ph.D. student of the Department of Chemical Engineering, for permission to continue her Ph.D. program.</p>
Reso. 68.08	<p>The Senate noted that Ms. Daxa Sharma (D17CH005) was admitted to the Ph.D. programme in the Department of Chemical Engineering on 21 July 2017 and had completed all the prescribed academic milestones up to the submission of her synopsis. The Senate further noted that she remained on approved medical leave,</p>

	<p>including maternity leave, during the period from January 2023 to November 2023, and subsequently submitted her synopsis on 02 February 2024. However, she could not submit her thesis within the prescribed period due to prolonged medical and family-related circumstances.</p> <p>The Senate also noted the recommendation of the Departmental Academic Advisory Committee (DAAC) of the Department of Chemical Engineering made in its 138th meeting held on 08 June 2026. After a detailed deliberation, the Senate;</p> <p><i>“Resolved to consider Ms. Daxa Sharma (D17CH005), Ph.D. scholar of the Department of Chemical Engineering, to continue her Ph.D. programme up to 31 July 2027 to enable submission of her thesis as per prevailing academic regulations of the Institute.</i></p> <p><i>Further resolved that Ms. Daxa Sharma (D17CH005) shall pay the applicable Institute fees for the previous semester(s) during which she had not registered, in accordance with the prevailing Institute Rules and Regulations, before registration/continuation of her Ph.D. programme is permitted.”</i></p>
Item 68.09	<p>To consider the request of the 3rd year B.Tech. students of Department of Electrical Engineering, who failed to clear MOOC courses in 5th or 6th semester may allow to re-register and reappear for MOOC courses from SWAYAM-NPTEL and update grades in the forthcoming semester.</p>
Reso. 68.09	<p>The Department of Electrical Engineering, vide Application No. 324 dated 16.06.2026, has requested permission to allow students who failed to clear the prescribed SWAYAM-NPTEL MOOC courses in the 5th or 6th semester to re-register and reappear for the courses in the 7th semester.</p> <p>The Department had offered the prescribed MOOC courses only in the 6th semester instead of the 5th and 6th semesters, as required under the Academic Regulations. Consequently, a few students were awarded an "FF" grade, which may adversely affect their academic records and campus placement opportunities.</p> <p>The Department has recommended permitting the affected students to re-register and reappear for the concerned MOOC courses in the 7th semester. Upon successful completion, the grades obtained shall be reflected in the 7th semester marks sheet as per the Institute Academic Regulations. After a detailed deliberations, the Senate;</p> <p><i>“Resolved to consider the 3rd year B.Tech. students of Department of Electrical Engineering, who failed to clear MOOC courses in 6th semester may allow to re-register and reappear for MOOC courses from SWAYAM-NPTEL and update grades in the forthcoming semester.</i></p> <p><i>Further resolved that the Department shall offer prescribed MOOC courses in the 5th and 6th semester.”</i></p>
Item 68.10	<p>Permission for B.Tech. Students Admitted to IITs under the Early Induction Program / students exchange program through MoU to Complete Minor/Honours Course Requirements.</p>

Reso. 68.10	<p>The Institute has academic collaborations with various IITs under the Early Induction Program and Student Exchange Program through MoUs, enabling selected B.Tech. students to pursue part of their studies at the host IIT during the seventh and/or eighth semester.</p> <p>Students enrolled in the Minor/Honours programme who participate in these programmes may face difficulty in completing the prescribed additional credit requirements at the Institute. Therefore, it was proposed to permit such students to fulfill these requirements by completing equivalent courses at the host IIT or relevant NPTEL/SWAYAM courses of equivalent credits, subject to prior approval of the respective Head of the Department to ensure equivalence of course content, credits, and compliance with the academic requirements of the Minor/Honours programme.</p> <p>After a detailed deliberation, the Senate;</p> <p><i>“Resolved to permit B.Tech. students admitted to IITs under the Early Induction Program/Student Exchange Program through MoUs to fulfil the additional credit requirements of the Minor/Honours programme by completing equivalent courses at the host IIT or relevant NPTEL/SWAYAM courses of equivalent credits during the seventh or eighth semester, subject to prior approval of the respective Head of the Department to ensure equivalence of course content, credits, and compliance with the academic requirements of the Minor/Honours programme.”</i></p>
Item 68.11	<p>To consider the Academic Calendar for B.Tech. & M.Sc.-I Year and M.Tech.-I year students admitted in AY 2026-27.</p>
Reso. 68.11	<p>As per the schedule notified by the Central Seat Allocation Board (CSAB), the reporting of B.Tech. and M.Sc. First Year students is tentatively scheduled from 13th August 2026, resulting in a delay of approximately four weeks in the commencement of regular academic activities. Similarly, as per the Centralized Counselling for M.Tech./M.Arch./M.Plan. (CCMT) schedule, the reporting of M.Tech. First Year students is tentatively scheduled from 7th August 2026, causing a delay of approximately two weeks.</p> <p>In order to ensure compliance with the prescribed curriculum, maintain the requisite teaching hours and academic rigor, and facilitate the timely completion of the semester, a revised Academic Calendar for B.Tech. & M.Sc. First Year and M.Tech. First Year students admitted during the Academic Year 2026–27 has been prepared and recommended for approval. After a detailed deliberation, the Senate;</p> <p><i>“Resolved to approve the revised Academic Calendar (enclosed as Appendix-68.11) for B.Tech. & M.Sc. First Year and M.Tech. First Year students admitted in the Academic Year 2026–27.”</i></p>
Item 68.12	<p>Noting Items</p>
Item 68.12.01	<p>Regarding the Category Conversion and Extension of Thesis Submission</p>
	<p>Resolution No. 62.5 of Minutes of the 62nd meeting of the Senate held on 6th August 2024 resolved to form a committee for scrutinised the cases received from the DAAC of different departments regarding the category conversion, an addition of Co-supervisor and extension of the thesis submission.
