Third Party RTI Audit Summary Report of S.V. National Institute of Technology, Surat

In accordance with the directives of the **Central Information Commissioner (CIC)** and the **Department of Personnel & Training (DoPT)** outlined in **OM No. 1/6/2011-IR dated 15.04.2013** and **OM No. 1/34/2013-IR dated 30.06.2016**, every Public Authority is required to **conduct an annual third-party audit** of its proactive disclosure package. This audit must be carried out by the designated training institutes associated with each Public Authority and subsequently submitted to the **Central Information Commission**.

The Indian Rubber Materials Research Institute conducted a **Third-Party Audit** of the **Proactive Disclosure** of **S.V. National Institute of Technology, Surat** under the RTI Act, 2005 from **21 to 23 July, 2026**. This assessment followed the Guidelines on suo motu disclosure under **Section 4** of the RTI Act issued by the **Government of India, Ministry of Personnel, Public Grievances & Pensions, Department of Personnel & Training (DoPT)**. The audit adhered to the **Standard Operating Procedure** outlined for third-party audits on suo motu disclosures (**Para 4.4 & 4.5 of DoPT's OM No. 1/6/2011-IR dated 15.04.2013 & Para 6 of DoPT's OM No. 1/34/2013-IR dated 30.06.2016**).

Objectives of the Audit:

The audit aimed to **evaluate compliance** with the Guidelines on suo motu disclosure under **Section 4** of the RTI Act and assess the **effectiveness of its implementation and control mechanisms**. Specifically, the evaluation examined the **Self-Appraisal Report of S.V. National Institute of Technology, Surat for 2025-26** and its official website (<https://www.svnit.ac.in>) to ensure adherence to prescribed guidelines for **Central Government Ministries & Departments**, including:

- Expanding suo motu disclosure under Section 4.
- Guidelines for digital publication of proactive disclosures.
- Detailed disclosure compliance with Sections 4(1)(b)(iii), 4(1)(b)(iv), 4(1)(b)(xi), and 4(1)(b)(xiv).
- Establishment of a structured compliance mechanism for proactive disclosure under the RTI Act, 2005.

Key Parameters Assessed During the Audit:

1. Organization and Functions
2. Budget and Programme
3. Publicity and Public Interface
4. E-Governance
5. Prescribed Information Disclosure
6. Proactive Information Disclosure (Self-Initiated)

This audit plays a crucial role in enhancing **transparency, accountability, and public accessibility** of information, ensuring that proactive disclosures align with government-mandated guidelines.

Key Findings and Priority Recommendations

We commend the **S.V. National Institute of Technology, Surat** for its commitment to transparency by making essential information accessible on its website. However, the audit has highlighted areas that require **greater clarity and comprehensive disclosure**, including:

1. Enhancing the prominence of information under **Section 4(b) of the RTI Act**.
2. Providing detailed historical insights into the department's **formation, leadership changes, and committees/commissions constituted over time**. Additionally, information regarding the **channels of supervision and accountability** should be included.

3. Conducting regular programs to promote awareness and understanding of the RTI Act.
4. Expanding details under the **Citizen's Charter, Result Framework Document (RFD), and six-monthly performance reports.**
5. Adhering to the **Guidelines for Indian Government Websites (Version 2.0)** and ensuring STQC certification is obtained and displayed.
6. Ensuring transparency in **tender bidding processes**, disclosing details such as awarded contracts, suppliers, rates, total amounts, and GeM procurement updates.
7. Clearly **displaying the last update date** for each webpage in **DD/MM/YY** format.

IRMRI would like to share positive feedback that in future all the required information/urls/links may be posted on website to meet the Transparency Audit Metrix.
