3. EDP: ENTREPRENEURSHIP DEVELOPMENT PROCESS

- Entrepreneurship is the process of creating or seizing an opportunity, and pursuing it regardless of the resources currently controlled. It is the process of creating something new with value by devoting the necessary time and effort, assuming the accompanying financial, psychic, social risks, and receiving the resulting rewards of monetary, personal satisfaction and independence.
- Anyone can start a business. The problem, however, is that many people don't know what's involved, don't know the risks and don't have the skills to start and successfully operate a business. Small business is a major driver and contributor to the economy.

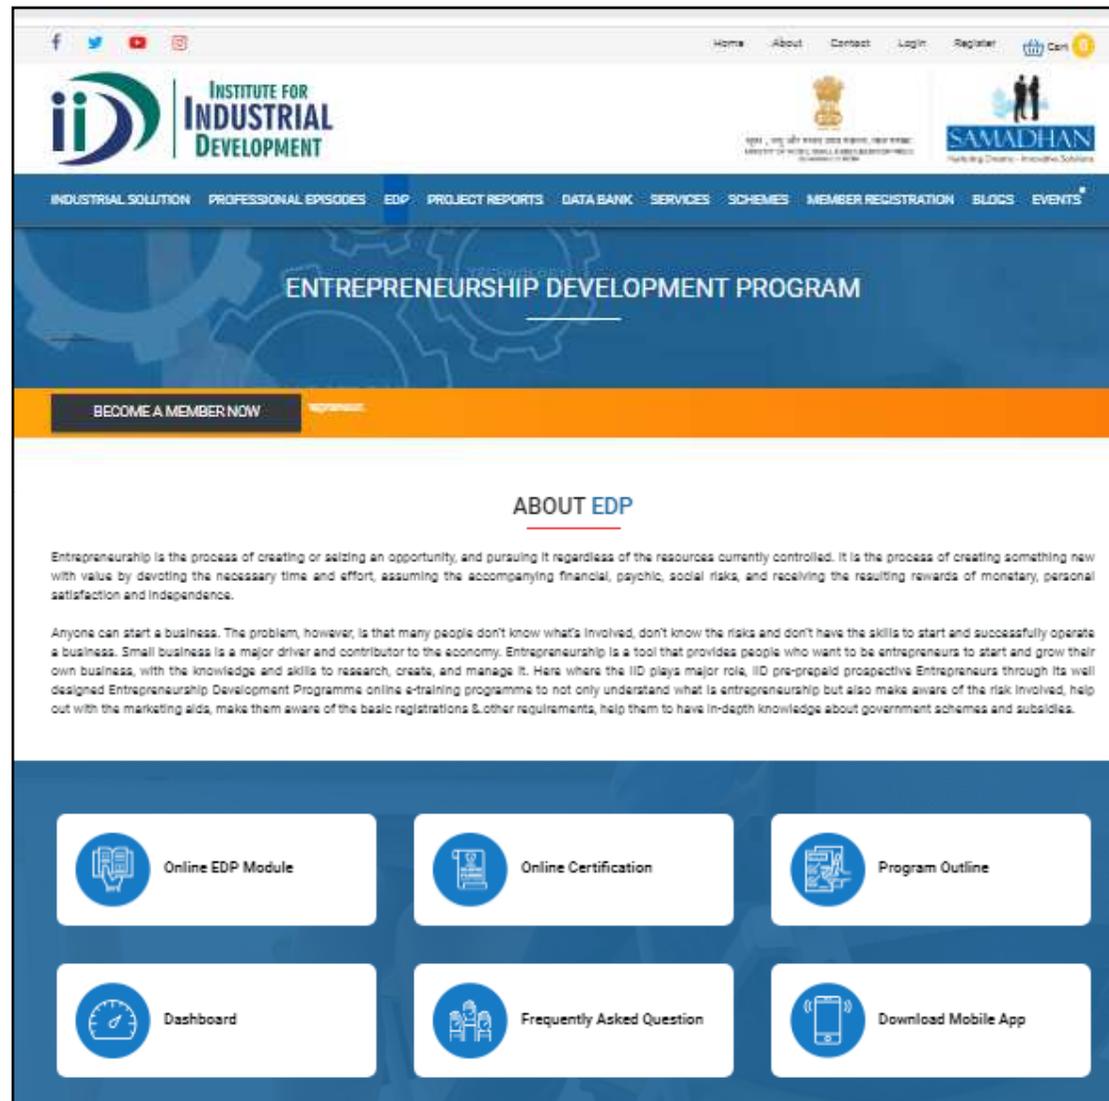

3. EDP: ENTREPRENEURSHIP DEVELOPMENT PROGRAM

- Entrepreneurship is a tool that provides people who want to be entrepreneurs to start and grow their own business, with the knowledge and skills to research, create, and manage it.
- Here where the IID plays major role, IID pre-prepaid prospective Entrepreneurs through its well designed Entrepreneurship Development Programme online e-training programme to not only understand what is entrepreneurship but also make aware of the risk involved, help out with the marketing aids, make them aware of the basic registrations &.other requirements, help them to have in-depth knowledge about government schemes and subsidies.

3. EDP: ENTREPRENEURSHIP DEVELOPMENT PROGRAM

4. PROJECT REPORTS

- A detailed project report is a complete document which provides details on the overall picture of the proposed business/venture.
- A detailed project report is a final, appraisal report on the project and it provides details of the basic programmes, roles and responsibilities and all the activities to be carried out and the resources required and possible risk with recommended measure to counter them. It consists of information on economic, technical, financial, managerial and production aspect. It enables the entrepreneur to know the inputs and helps him to obtain loans from banks and financial institutions.
- The project report contains detailed information about Land and buildings required, Manufacturing Capacity per annum, Manufacturing Process, Machinery & equipment along with their prices and specifications, Requirements of raw materials, Requirements of Power & Water, Manpower needs, Marketing Cost of the project, production, financial analyses and economic viability of the project

4. PROJECT REPORTS

The screenshot displays the website interface for the Institute for Industrial Development. At the top, there is a navigation bar with links for Home, About, Contact, Login, Register, and Cart. The main header features the institute's logo and name, along with the Indian government emblem and the SAMADHAN logo. Below the header is a blue navigation menu with categories: INDUSTRIAL SOLUTION, PROFESSIONAL EPISODES, EDP, PROJECT REPORTS (highlighted), DATA BANK, SERVICES, SCHEMES, MEMBER REGISTRATION, BLOGS, and EVENTS. The main content area includes a link to view all project reports and two dropdown menus for selecting an industry and a project. A grid of 18 project categories is shown, each with a representative image and a text label.
