Sardar Vallabhbhai National Institute of Technology (SVNIT) and its Alumni Association (SVNIT AA) wishes our Alumni seasonal greetings.

As you all know, SVNIT strive to maintain the primacy of the institution and the ALUMNI play a big role in reinforcing and spreading the image of the institution across India and across the globe through their achievements in professional and social lives. You as our vibrant and dynamic alumni remain an integral part of our institution's legacy and future. You are our greatest ambassadors. Your achievements across academia, industry, public service, and entrepreneurship continue to inspire our students and strengthen our community. Now as a further move, we look forward to deepening our engagement with you through collaborations, mentorship, research partnerships, and campus initiatives donations etc. Together, we can continue to uphold our shared values, advance knowledge, and make a meaningful impact on society.

26th January 2026 we unveiled our first newsletter Vol-1. In the similar direction, SVNIT is delighted to share its second Newsletter (April - 2026 Edition, Vol. 2) from Dean ARG office, celebrating institutional progress, alumni notable achievements, and our shared journey. This newsletter is intended to capture the vibrancy of the alumni and create the special bonds between the alumni, who are spread through-out the world and for whom it is really difficult to see the holistic picture of the institutional and alumni activities. We hope you find this newsletter energizing and touch your heart and relive the golden moments you spent at the institute and channel back some of that energy through various concrete initiatives and help the institute grow further in all respects.

We request you to share and broadcast with our Alumni and Batch friends on social media. We have been receiving valuable feedback/ suggestions. We encourage you to post Articles, Content, Achievements, and Alumni chapter updates to our email adean_arg@svnit.ac.in within the limit of 500 words. Please do ensure that there is no copyright infringement and also do mention your details (i) Degree (B.Tech., M.Tech., M.Sc., Ph.D.,etc.) (ii) Branch/ Department, (iii) Pass out Year, and (iv) Photo.

Though utmost care has been taken in publishing this newsletter, if there are any factual discrepancies they may be brought to the notice of the Committee.

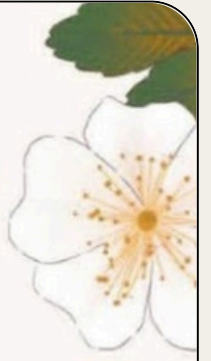

Your continued connection, accomplishments, and support play a vital role in shaping the future of our institution and inspiring the next generation.

06- Alumni Meets

Golden jubilee of admission of 1976 batch Mechanical Engineering to the Sardar Vallabhbhai Regional College of Engineering and Technology, Surat was celebrated during February 23-26, 2026. It was attended by around 65 alumni along with their spouses.

It started with the visit to a Diamond House (Venus Jewels). Processing of diamond from rough to finish & converting into jewellery was shown and explained, followed by interaction & lunch with Shri Seventilal Shah (Owner).

Second day, they visited the campus, hostels and academic departments with nostalgic feelings.

The epitome of the celebration was greeting and felicitation of our teachers (total 18) and having lunch with them. During this programme Mr. Ramkrishna Dasari, Alumnus of this batch announced sponsoring a Center of Excellence in IoT. The MoU was signed with the institute on the same day.

Travelled to the resort at Gholvad, Dahanu and had a banquet with a musical party. On the fourth day, we enjoyed lunch at Hemant Naik's farm followed by dinner at Dipak Dudhwala's farm and returned to Surat.

LAVANYA RAMANI SCHOLARSHIP

We are pleased to acknowledge the generous commitment of our esteemed alumna, Mrs. Lavanya Ramani (Batch of 2006, Computer Engineering - Gold Medalist), for an annual donation of USD 6000 every year to support students' innovation, technical projects, and research activities. This initiative aims to foster hands-on learning, strengthen research culture, and promote the development of prototypes, publications, and technical expertise among students.

Lavanya Ramani, Computer - 2006

We sincerely thank our esteemed alumnus, Mr. Parthasarathy Thota (Batch of 1991, Electronics), for his generous contribution of USD 2100 towards the development of the 5G Lab in the Department of Electronics & Communication Engineering and the Alumni co-working space. His support plays a vital role in strengthening institutional infrastructure and enhancing the academic environment for students.

follows a sequential architecture: image capture, preprocessing, model inference, prediction generation, and visual display. This design ensures modularity, scalability, and compatibility with industrial automation workflows. The system is implemented in Python using deep learning frameworks such as TensorFlow or PyTorch for model development and optimization. Supporting libraries include NumPy and Pandas for data manipulation, OpenCV for computer vision integration, Scikit-learn for evaluation metrics, and Matplotlib or Seaborn for visualization. From an industrial perspective, the solution enables automated cashew variety segregation, reduces dependency on manual inspection processes, enhances operational efficiency, minimizes classification errors, and establishes a scalable infrastructure for AI driven quality control systems.

Developed by: Mr. Nishchal Gupta
(B.Tech I23MA009 - Department of Mathematics)

This project focuses on the design and development of a highly secure, scalable, and database-intensive Enterprise Resource Planning (ERP) system for Diamond Industry, specifically tailored for the operational complexity of the diamond industry. The central objective of this ERP system is not only to streamline business operations but to efficiently handle extremely large volumes of high-value transactional and inventory data while maintaining maximum security, integrity, and performance reliability.

“Mrs. Paulsen, I would be more than happy to publish this.” Mr. Burton excitedly said.

Mary lying on the bed looked at Steve & smiled.

“We’re happy that you agreed to this.” Steve sat beside her & held her hand.

“She’s been one of the greatest writing minds for years.”

“After surgery, this is the first book she’s written.”

“That hasn’t changed a thing about her ability.”

“But it has changed her life.” Steve looked at Mary.

“Have you thought about any title for this autobiography of yours, Mrs. Paulsen?”

Mary handed the manuscript to Mr. Burton.

He put the glasses on & read, “Words I want to speak”

*Zindagi ke is mukaam pe,
Sochti hun sukoon kaha se aaye,
Lekar aana ae dil wah tadbeer,
Ki main sirf teri sunun,
Tu paramatma ka ansh jo hai,
Mujhe kabhi gumrah nahi hone deta,
Mera sarvapriya sakha hai tu,
Toh main buddhi ke jaal mein kyu fasun,
Jo mujhe dukhon ki saugaat hi degi.
Sach mein hamare andar hi ek khazana hai,
Woh hai hriday ki wah bheeni pukar,
Jo humein kuch bolti rehti hai,
Hamari uljhanon ko door kar,
Roshni ka aashirwad deti hai.
Kyun na hum zindagi gulzar karein,
Kyun na hum sirf dil ki sunein!*

Nothing Changes, Everything Does:

The train is screeching, as stations slip by,
But something has changed, Jack wonders why?

The forest is the same and so are the trees,
Yet something has changed—and that is the leaves.

The bus is the same, same is the road,
Yet there's a change—the people on board.

Same is the love and bonds in accord,
Yet meanings changed—desolation the reward.

Same are your senses, unchanged from afar,
Yet you've changed—your thoughts turned bizarre.

My heart is the same, my mind at par,
But I have turned cold and gone so far.

Life from the sky looks all the same,
YET the irony—IT'S NEVER THE SAME.

तख्त की तरह यूँ न पलट,
ऐ पथिक ! कभी और कहीं तो सँभल जा ।

मुसाफ़िर न बन यूँ जुबाँ से ,
दे अपनी गति को चाल यूँ तुफ़ान से ;
क्या पता, कहाँ गिरे हम ?
पर जहाँ गिरे, एक नया पुनर्जन्म हो खड़ा वहाँ से ;
ऐ पथिक ! कभी और कहीं तो सँभल जा ।

ज्वार की अग्नि यूँ न बुझने दो तुम ,
पहाड़ों की आहट को यूँ न दुबकने दो तुम ;
न कर अपनी चाह को तू वामन,
ऐ पथिक ! कभी और कहीं तो सँभल जा ।

दर्रा की भाँति यूँ न विचलित हो तुम ,
अकथित इतिहासों की तरह यूँ न धूमिल हो तुम ;
कर मिलन अपने योग का यूँ नदी के संयोग सा ,
ऐ पथिक ! कभी और कहीं तो सँभल जा ।

YES, WE ARE (SVR) STUDENTS!

*So drowsy to get up even at nine
Very tired to visit the bathroom in line
Running right away to the canteen, to
Savor the delicious 'cutting'!
Throng the mess at the bell, leave not
Until a friend comes to spell!
Decide to bunk the class en masse, and
Evening prayer at Ichchaanath for a pass!
Never the class had full attendance, while at
The canteen it was always dense!
Sufferers are we, the students, hence!*

FAREWELL TO SVR

*For joining Engineering, had many choices but had no clue
Attracted towards you and joined, though you were new!
Regards to our professors who made us shine like the morning dew
Enjoyed their classes, though attended only a few!
Want to show you my gratitude which will ever be my due, so
Eager to stay back here and be with you, but
Longing to join you many are in the queue, so
Leaving you permanently by bidding you adieu!*

// उद्बोधन //

मित्रो,

अपने SVR प्रारम्भ होने के 65 वर्ष पश्चात तथा मुझे डिग्री लेने के 56 वर्ष पश्चात हम सभी प्रथम बार इन्दौर में मिल रहे हैं। बड़ी सुखद अनुभूति हो रही है। जिस संस्था ने हमें समाज के सम्मुख "योग्य" बना कर हमें अपनी आजीविका कमाने के अवसर दिया है। उसके हम सभी ऋणी हैं।

आज हमें यहाँ इन्दौर में मिलने का अवसर प्रदान किया है 'डॉ. उपेना बेन दलाल, सेक्रेटरी श्री तुषार मेहता तथा साथ उपस्थित चार कालेज फेकल्टी ने। मुझे जानकारी में है कि गत - 4-5 महीनों से ये सभी बड़ा परिश्रम कर रहे थे और इनके सतत प्रयास से आज लगभग 50 की संख्या में हम उपस्थित हैं। हम सभी की ओर से इन सूरत से आये बन्धु-भगिनियों का स्वागत- अभिनन्दन

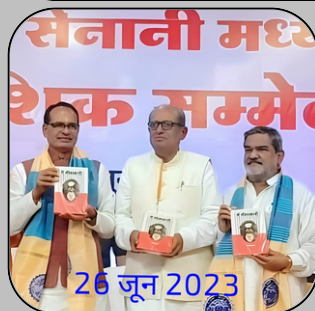

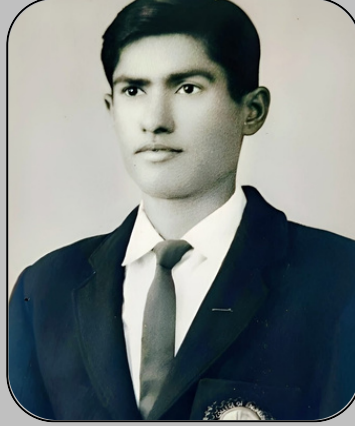

मुझे आप सबके सम्मुख कुछ कहने का अवसर दिया गया है अतः आज मैं-

अपने सूरत के तत्कालीन अनुभवों पर कुछ हिन्दी और कुछ गुजराती में बात करने का प्रयास कर रहा हूँ। यह सूरत 70 के दशक का है। सूरत बदलता जा रहा है। आप सब अलग अलग बेच के हैं सबके अपने अपने अनुभव हैं। मैंने जब प्रवेश लिया था - कालेज के भवन निर्माण हो रहे थे- पोलिटेक्नीक में क्लासेस चल रही थीं। अतः आसपास की सोसायटी और शहर में रहना पड़ा था तभी की यादें शेर कर रहा हूँ -

तो झलकिया प्रस्तुत है. सूरत के 70 के दशक की -
