### 10.3 Student Activity Centre

The Department of physical education conducted various sports events for students, staff and their families across the year. With support of institute, Department of Physical Education organized intramural and extramural sports events. Department extended complete support to all activities proposed by Ministry of Education, Government of India and NITs.

#### **Indoor Sports and Recreational facility :**

The Department of Physical Education (DPE) look after various students' activities and also provides the opportunity for employees and their family members to participate in sports tournaments. The Department of Physical Education consists of a Student Activity Centre (SAC) which has indoor sports and recreation facilities. The SAC offers an ultramodern gymnasium with state of the art fitness equipments. The weightlifting training platform is a new addition on the floor of the gymnasium. The Table Tennis hall is a perfect venue to invest leisure time. A synthetic floor is installed in TT hall for better friction and cushioning to reduce chances of injuries to the players. The pool table hall is a vibrant location to play games of snooker and billiards. DPE constantly puts their efforts for maintenance of the equipments in the pool table room. The badminton courts are updated with new LED lights. The students also enjoy playing chess and carom at SAC. The new Kabaddi mats have made the game more enjoyable and safe.

#### **Outdoor Sports facilities :**

The outdoor facilities, like Basketball and Tennis (with international class-3 lights) , Basketball courts, Volleyball courts, Kho-kho and Handball field are all covered with lights. The auto on/off system of the lights is a new feature for the sports grounds.

The DPE also develops a new dedicated cricket ground. Developing a separate cricket ground enabled the institute to host and organize multiple cricket tournaments. The DPE also overcomes the challenges associated with the condition of the football field. With dedication, efforts and an inter-personal relationship with Surat district Football association, the football ground has been made playable again.

#### **Host of the event :**

Our prestigious institute was unanimously awarded the responsibility to host the All India Inter NIT Cricket, Power lifting, Weightlifting, and Bodybuilding Tournament 2022–23 at the All India Inter NIT Sports Calendar Meeting held at NIT Srinagar (UK) due to the grand success of the sports tournament hosted by SVNIT in year 2020–21. The institute left no stone unturned to make the event successful. The institute extended efficient and comfortable transportation, healthy and hygienic food, and comfortable accommodation to the participants and officials of the events.

The event was graced by the presence of prominent personalities. The cricket tournament was inaugurated by the commissioner of police in Surat, Mr. Ajay Kumar Tomar, and power sports was inaugurated by Jayveerrajsingh Gohil, prince of Bhavnagar. The event was completed without incident. Mr. Mahendra Chavan, an international bodybuilder, spared his valuable time to motivate participants in the bodybuilding competition. The Home Minister (and Minister of Sports), Mr. Harsh Sanghvi, gave away trophies to the champion cricket teams. Mr. Anshul Kothari, an international swimmer, gave away medals to the winners of power sports. The institute also engaged Mr. Robin Simon, Sports Officer, NIT Nagpur, as a neutral observer to look after the protest, but no single protest was registered. Prof. Dr. Ravi Kumar from NIT Warangal and Mr. Robin Simon delivered feedback speeches with positive remarks.

**Achievements at Extra mural events :** The Department of Physical Education is committed to creating and providing opportunities for deserving, talented students. The DPE has a strong belief in and practice of fair selection trials for all individuals to secure positions on sports teams. More than one selection trial has been offered to the students engaged in academic, curricular, co-curricular, and extracurricular activities. Additional trials were also offered to the player, which ended with lower performance compared to regular days. Additional trials were also offered to the players in the last positions. To keep the trials unbiased, selectors from other organizations were called. In general, the selection process was completed in multiple days.

To shape the team, a pre-competition training camps were organized. The achievements of extramural events are listed below.

**Intra mural events:** Winning medals at major platforms brings laurels to the institute, but the process of victory began with the first step: participating in intramural sports tournaments. Intramural tournaments and activities are equally important. An intramural event provides opportunities for a large number of participants to demonstrate their skills and talents. It also helps players overcome anxiety and fear of the stage and competition. Intramural events are a great way to celebrate sporting and competitive events as well as the promotion of various nations declared by the top leadership of the nation. An intramural event helps youth stay away from addiction, substance abuse, depression, home sleekness, and addiction to digital and virtual content. Intramural events are fruitful to gain physical fitness, achieve mental health, and be emotionally balanced, and they also give memorable moments to cheer and enjoy student life. Activity Report: IEEE student chapter did four major hands-on workshops this year, Introduction to Arduino board, game development using Machine learning (ML), Artificial Intelligence (AI), and Magic layout software. The workshops were organized for B. Tech and M.Tech (Magic layout) students, immensely benefiting the participants. In the Arduino workshop, we received around 130+ multi-disciplinary registrations, of which 50 participants were shortlisted from

various departments. Participants were given hardware in groups of 5 students and performed programming from basic LED blinking to advanced sensor control. The entire session was of 90 mins, where more than ten projects were discussed and executed in groups of 5 students. We received a Huge appreciation form the participants for the said workshop (image attached). The 2<sup>nd</sup> and 3<sup>rd</sup> workshops were done to introduce them to power of AI and ML and with the help of gamified Scratch software, six games were developed in 90 mins of session where they got deep insights of both AI and ML technologies. Magic layouting workshop was exclusively done for MTech students of where they go introduced to advance layouting techniques by Mr. Sudhanshu. #### 11.4 NPTEL

NPTEL is a resource Centre for an online learning platform. The initiative is funded by the Ministry of Education, Government of India. The project's central idea is to put recorded lectures taught by its member institutes online for open access. SVNIT Surat is the local chapter of NPTEL, which takes this initiative to forward and encourage more students across the institute to participate in this initiative. NPTEL has been offering self-study courses across engineering, humanities and science streams for more than a decade. These are available at <http://nptel.ac.in>. From March 2014, NPTEL has been offering online certification for its courses, the highlight being the certification exam through which the student gets an opportunity to earn a certificate from the IITs.

Separate Audit Report of the Comptroller and Auditor General of India on the Accounts of Sardar Vallabhbhai National Institute of Technology, Surat (SVNIT) for the year ended 31 March 2023.

We have audited the attached Balance Sheet of Sardar Vallabhbhai National Institute of Technology, Surat (SVNIT) as at 31 March 2023, the Income & Expenditure Account and Receipts & Payments Account for the year ended on that date, under Section 19(2) of the Comptroller and Auditor General's (Duties, Powers & Conditions of Service) Act, 1971. These financial statements are the responsibility of SVNIT Management. Our responsibility is to express an opinion on these financial statements based on our audit.

2. This Separate Audit Report (SAR) contains the comments of the Comptroller and Auditor General of India (CAG) on the accounting treatment only, with regard to classification, conformity with the best accounting practices, accounting standards and disclosure norms, etc. Audit observations on financial transactions with regard to compliance with the Law, Rules & Regulations (Propriety and Regularity) and efficiency-cum-performance aspects, etc., if any, are reported through Inspection Reports/CAG's Audit Reports separately.
3. We have conducted our audit in accordance with Auditing Standards generally accepted in India. These Standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatements. An audit includes examining, on a test basis, evidence supporting the amounts and disclosure in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by the Management, as well as evaluating the overall presentation of financial statements. We believe that our audit provides a reasonable basis for our opinion.

#### B.1.2 Non-booking of prepayment expenses under head for prepaid expense

"Prepaid expenses" have been categorized under sub-head "Prepayments" of Head "Advances and other amounts recoverable in Cash or in kind" under "Schedule 8 (Loans, Advances and Deposits)" of the format of Financial Statements, prescribed for Central Higher Educational Institutions.

It was noticed that SVNIT had paid amount of ₹15.24 lakh (March 2023) towards its Annual Maintenance Contract (AMC) of Midas Software, for the period 01-03-2023 to 28-02-2026. Thus, only its partial amount viz., ₹0.42 lakh (₹15.24 lakh/36 months) pertained to March month of the year 2022-23 while the remaining amount of ₹14.82 lakh pertaining to subsequent period, were prepaid expenses. This remaining amount was required to be depicted under sub-head "Prepayments" under Schedule 8 (Loans, Advance, and Deposits) above. However, the Institute depicted entire amount of ₹15.24 lakh under its Schedule 19 (Repairs and Maintenance) of 2022-23. This resulted in understatement of loans, advance and deposits by ₹14.82 lakh and overstatement of expenditure to that extent.
